LIGHTHOUSES AUG 27 1936
AUG 31 10 08 AM '36

Mr. Dwight Southmayd, Assistant Keeper,
Smith Island Light Station, Washington,
(Through Commissioner of Lighthouses).

Dear Mr. Southmayd:

I have read with interest a report relative to your action at about four o'clock on the morning of July 24, in rescuing four men whose boat had run aground in the vicinity of your station. It is noted that the seas were high and that the men were in a precarious position, and that later the boat was damaged beyond repair.

I take pleasure in commending you for your action in this emergency and in having the matter recorded as a part of your official history.

Very truly yours,

J. M. JOHNSON
