G. O. Stalin,
3824 17th St.,
San Francisco, Calif.

Dear Sir:-

1. Referring to your letter of September 10th, you are advised that your services as 2nd Assistant Keeper at Mile Rock Light Station terminated at the close of August 19th, and that your successor was employed commencing August 20th. It is not customary to grant leaves of absence to employees after the date on which they have actually rendered service. Furthermore, your accrued leave amounted to 38 days, and the allowance for the station at the rate of 8 days per month is 42 days. The additional time allowed in the case of Mile Rock Light Station of a day for coming ashore and of returning to the station is only allowed when practicable.

2. It appears that you have been granted full leave during the term of your employment at Mile Rock Light Station, and that full payment has been made for your services at that station. At least once a year, each keeper at Mile Rock Light Station is expected to serve three weeks instead of two weeks at Mile Rock Light Station.

Respectfully,

H. W. RHODES

Superintendent of Lighthouses.

San Francisco, Calif.
Sept. 10, 1925.

Superintendent of Lighthouses
San Francisco, Calif.

Sir: I received my pay check Sept. 4, for $ 76. instead of $ 104. as was coming to me for my time and for the one week of absent my time was up August. the 26, 1925. as I stated in my resignation. I hope you will find my letter correct and kindly forward me the rest of my wages due me.

I also put in 3 weeks the first time I went to stay on the Mile Rock Station and the first pay check I received was for 6 days instead of for 7 days. I am just mention these facts not to claim anything for that one day, but I do like to get paid the other $ 28. that I believe is coming to me.

Respectfully,
G. O. Stalin
