The second point I made was that the Academy does not offer you the happy go lucky type of life which is often associated with colleges. That is true of course. But perhaps I should qualify it. That doesn't mean you won't have any fun. You'll have lots of it. There are rec. rooms, the soda fountain, various clubs, musical productions, sports programs, and - most pleasurable of all - liberty. The fact that you don't get a great deal of liberty makes it that much sweeter. I think it's safe to say that no college man enjoys his leisure half as much as a cadet enjoys his liberty.

The third point was that the Academy does not offer an easy curriculum. That is true, of course, but does any young man who is earnestly bent upon receiving a higher education really want an easy curriculum? I don't think so. You want as much as you can get, and at the Academy you'll get as much as you can take. Good things don't come easily. We have to work for them. We recognize that at the Academy and we do it.

My fourth point was that the Academy does not offer you immunization against menial work. But, once again, does anyone want to be immunized from work of a sort which will make him a better officer? All work which you will be required to do is directed toward that end. Thus you learn, by actual doing. It is invaluable experience for a future officer.

The fifth point was that the cruises offer you none of the features of a travel tour - that they can be tough and sometimes gruelling. That is true, all right. But is the spirit of adventure dead, in you boys, for example? I think not, I'll bet there are 100 thousand young men in this country who would give their eye teeth for a chance to sail the Atlantic in a large square-rigged ship in the tradition of our sea-faring forefathers. Well, you will have a chance to do it! It will be rough in spots, of course, but what do you expect? It is because it is rough that it develops skill and courage and seamanship ability of a high order. There are not many mariners left in the world today who qualified in the school of sail, where it's strictly man against the elements. And you get much time ashore in foreign countries. It is a broadening experience.

My sixth and last point was that the service after graduation offers you neither comfort nor riches. I have already pointed out, however, that there are compensations. You give up comfort, on occasion, but you do so in return for a challenging mode of life which allows maximum physical and mental range and eliminates the possibility of stagnation. You give up riches but you do so in return for a security and freedom from worry which is offered few men in other walks of life. You give up the fixed patterns of routine which are offered in civilian life, but you do so in return for broad horizons and the pleasure of strong fellowship with brother officers banded together in the service of your country and humanity.

At this point gentlemen, I'll put the question to you again - are you sincerely interested in a career in the Coast Guard? If you are, and have been able to leap this first hurdle - the entrance examination - we welcome you aboard! Thank you.

Commander Edward A. Eve, Jr., U. S. Coast Guard, member;
Lieutenant Commander James S. Muzzy, U. S. Coast Guard, member and recorder;
Surgeon Robert L. Griffith, U. S. Public Health Service, member;
Senior Assistant Surgeon John S. McMillin, U. S. Public Health Service, member.

John W. Allen, yeoman, first class, U. S. Coast Guard, entered as reporter and was duly sworn.

The board decided to sit with open doors.

Frank H. Story (219-281) BM1, USCG, the party under examination, entered and stated that he did not desire counsel.

The recorder read the precept and the order to the party under examination, copies hereto prefixed, marked "A" and "B."

The recorder read the letters appointing the medical members to the board, copies hereto prefixed marked "C(1)", "C(2)", and "C(3)."

The party under examination was informed of his rights.

The party under examination stated that he did not object to any member.

The board and recorder were duly sworn.

No witnesses not otherwise connected with the inquiry were present.

A letter, copy appended marked "D", was received from headquarters, transmitting the papers named therein, which are appended, marked "1" to "5." Excerpts from these papers were read by the recorder.

The medical members were directed to examine into the past and present physical and mental condition of Frank H. Story (219-281) BM1, USCG; letter of instructions appended, marked "6."

The examination all ready having been made, adjournment of the board was not necessary.

The party under examination was asked by the president whether he wished to be retired and he replied in the affirmative.

The party under examination was duly sworn as a witness.

Examined by the recorder.

1.Q. State the nature of your disability, its cause and how long you have suffered from it.

A. Well, the 18th of last July, I went down to Ilwaco from the station with the truck and part of the duties on that trip is to pick-up the papers from the drug-store. Well, I was about one-half block from the drugstore there and I felt like my legs were going out from under me and I made it into the drugstore and I collapsed in the back room of the drugstore on a chair. I asked Maurice Williams, one of the partners in the firm, to call Dr. Neaie down from upstairs. Dr. Neaie came down and asked me what was the matter and I said that I wish I knew as I was shaking like I had the palsy. He gave me a couple of pills and called the group commander and told him what had happened and he authorized me to be hospitalized there. Well, that was about 10:30 in the morning or some where in that vicinity approximately. I just got into bed, well I remember getting into bed and that is all and then I passed out cold. When I came to sometime in the afternoon I had a complete paralysis of the left side.

2.Q. Is that all?

A. I don't know how to describe how I feel now. At times I just feel fluttery, yesterday I spent the whole day in bed and this morning also. I don't know, I just feel a weakness, any exertion and the old pump starts hammering. I have to lie down and take it easy. I don't know anything else I can say about this.

3.Q. Is this incident the first thing that you noticed that there was anything wrong with you physically?

A. Yes, sir. Since I had this stroke, is that what you mean.

4.Q. Do you desire to say anything further concerning your case?

A. I don't believe there is anything further I can say outside of what is in my medical history. I would like to draw the attention of the board to this entry by Dr. Neaie of Ilwaco, Washington, under date of 8-9-48 to 7-17-48.

The witness read the following from his health record: "8-9-48 to 7-17-48 Mr. Story developed sudden transitory complete paralysis of left side of body and was hospitalized (Ocean Beach Hospital) 7-17-48 to 8-8-48. There is a residual weakness of left arm and leg and instability. Patient not qualified for duty. Signed, L. C. Neaie."

I might state on frequent occasions, I will walk along normally and that leg goes out from under me. I have never hit the deck yet, but I have come so close to it that it isn't funny.

Examined by the board.

5.Q. Are you still on duty?

A. I have been on sick leave ever since I had this stroke. I might state that Dr. McMillin advised me against stairs and the job there, well there is practically sixty or seventy steps and one-half mile or so to the station there down to the light and if anything goes wrong with the light and it is a case of hurry

down, I found out I just can't do that. On three doctor's advise I haven't done any running whatsoever. Dr. Neale has cautioned me very emphatically against any running and going up and down stairs and that is what the doctors have told me up here. Any running and the pump starts hammering and then I go and lie down and take it easy and that is what I am trying to do.

Neither the board, the recorder, nor the party under examination desired further to examine this witness; the witness resumed his seat as the party under examination.

The medical members submitted a report, which was sworn to, read, and appended marked "7."

Senior Assistant Surgeon John S. McMillin, U. S. Public Health Service, the junior medical member of the board, was duly sworn as a witness.

Examined by the recorder.

1.Q. Doctor, from what cause does Story's disability proceed?
A. He is suffering from high blood pressure which has in turn caused permanent heart damage and which has also resulted in generalized and cerebral arteriosclerosis and which probably caused his cerebral hemorrhage on the right side.

2.Q. Is the disability permanent?
A. Yes.

3.Q. State the facts and reasons on which your conclusion as to this permanency is based.
A. He has had the condition for a considerable period of time. He has received all known medical treatment for the condition without improvement and he still has the symptoms. He also has changes of his electrocardiogram which are known to be irreversible.

4.Q. Is Story's disability such as to incapacitate him for active service?
A. Yes.

5.Q. State the facts and reasons for your conclusion, including recourse to medical stimulants which would be necessary in order to keep Story in a condition in which he could be depended upon to perform duty in the immediate future.
A. Well, there are no stimulants indicated in his case and while he was in the hospital he had the only ~~known~~ any treatment that is known, that is bed rest and sedatives to bring his blood pressure down. However, at that time, he had heart damage that could not be repaired even though his blood pressure should return to normal.

6.Q. Have all reasonable measures for the amelioration of this condition been tried?
A. Yes.

7.Q. What were such measures and what results were obtained?
A. The measures were bed rest and sedatives, reducing diet and the results were very poor.

8.Q. Is his disability the result of an incident of service?
A. Yes.

9.Q. Was there any information before the medical members of the board which would lead you to believe that this condition might be due to vicious practices of his own?
A. No.

10.Q. When did this condition become disabling?
A. At the time of his hemorrhage, July 18, 1948.

11.Q. Give the facts which you believe establishes this date.
A. Well, he was on duty and doing his job up until that time and since that time he has been either hospitalized or on sick leave, unable to work.

12.Q. Doctor, referring to a question just previously asked you, "Is his disability the result of an incident of service?" You answered, "Yes." In your written, sworn report, which is submitted, you stated: "That this disability results as an incident of service....," but on the Report of Medical Survey dated 23 November, 1948, of which you are a member, says in part: "and was not incurred in the line of duty." Will you clarify and explain the inconsistency?
A. That was a secretarial error apparently. It was not my intention or Dr. Griffith's to infer that his condition did not arise in line of duty.

Neither the board, the recorder, nor the party under examination desired further to examine this witness; the witness resumed his seat as a member.

Surgeon Robert L. Griffith, U. S. Public Health Service, the senior medical member of the board, was duly sworn as a witness.

Examined by the recorder:

1.Q. Doctor, you have heard the testimony just given by Dr. McMillian, do you concur with the answers given in his testimony?
A. Yes.

2.Q. Including the comment made as to the inconsistency of the record?
A. Yes, that was an error that was made that we over-looked when we put our signatures on it.

3.Q. Have you any further information you would like to present to the board?
A. No, sir.

Neither the board, the recorder, nor the party under examination desired further to examine this witness; the witness resumed his seat as a member.

Neither the board, the recorder, nor the party under examination desired to call any more witnesses.

The recorder desired to make no argument.

The party under examination, desired to make no argument.

The inquiry was finished, the party thereto withdrawing, having been informed that he would receive due notification when he might regard himself as discharged from further attendance before the board.

After full and mature deliberation the board finds as follows:

FINDING OF FACTS

That Frank H. Story (219-281) boatswain's mate, first class, U. S. Coast Guard, is incapacitated for active service by reason of (1) hypertensive cardiovascular disease, Cardiac insufficiency (2) arteriosclerosis, general, moderate (3) hemorrhage from cerebral vessel on right side due to arteriosclerosis, old, residual effects from (4) degenerative joint disease, multiple, that his incapacity is permanent and is the result of an incident of service and is not the result of his own vicious habits.

Subj: STORY, Frank Harold (219-281) BM1; Examination of

Ref: Letter of December 21, 1948, from President, Coast Guard Retiring Board; 13th Coast Guard District

1. We have carefully and separately examined Frank Harold Story, BM1, USCG, as to his past and present mental and physical condition and report as follows:

2. BM1 Frank Harold Story states that he is now 50 years of age and that he has served 7 years, 7 months and 25 days in the U. S. Coast Guard. He also served 2 years, 3 months and 17 days in the U. S. Marine Corps and 21 years, 3 months and 11 days in the Lighthouse Service.

3. A review of his health record starting July 30, 1941, reveals the usual entries for inoculations, minor injuries and infections. The first entry referable to his present illness was made at Seattle, Washington, Marine Hospital on October 10, 1947, at which time diagnoses of arteriosclerotic heart disease and arthritis were made. The next entry of importance was made at Ocean City Hospital on July 17, 1948, with diagnoses of hemiplegia, complete, left, cause undetermined, followed by minimal residuals and hypertension, chronic, essential. The next entry was made on August 23, 1948, at Marine Hospital, Seattle, Washington, with diagnoses of hypertensive cardiovascular disease, cardiac insufficiency; arteriosclerosis, moderate, generalized; hemorrhage from cerebral vessel on right side, old, due to arteriosclerosis, residual effects from; and degenerative joint disease, multiple.

On the last mentioned admission a medical survey was written, a summary of which is as follows: This 50 year old man complained of numbness and weakness in his left arm and leg of one month's duration. He stated that approximately a month ago he had a loss of consciousness for five hours and that when he regained consciousness he was paralyzed on his left side and had lost his speech. He stated that he had had hypertension for a year or more and had noticed dyspnea on exertion, dizziness and palpitation.

"7"

Physical examination: Patient was well developed and nourished. Blood pressure was 164/80. Arteries were sclerotic. Heart and lungs were normal to physical examination. There was a weakness of the left arm and leg with diminished sensation on the left side. Reflexes were normal.

Routine laboratory work was normal. Circulation time was 17 seconds. X-ray of the spine showed arthritic changes and calcification of the abdominal aorta. Electrocardiogram revealed diffuse myocardial disease.

4. History this date is essentially the same. The patient states that he suffers from generalized weakness and dyspnea on exertion. He states that he does not have as much power in his left arm and leg as he does in his right.

Physical examination reveals a moderately obese man with a dorsal kyphosis. A surgical scar is noted on the left lower chest at the posterior axillary line. The lungs are clear to auscultation and percussion. Examination of the heart reveals regular rhythm, rate 80, blood pressure 180/100 and no murmurs are heard. There is no appreciable atrophy of the muscles of the left arm and leg and only questionable weakness on the left side. The reflexes are hyperactive, equal bilaterally and physiological.

5. From the history of this case as obtained from the patient himself and from other sources, physical examination, and a study of all available records, we are of the opinion:

(a) That BM1 Frank Harold Story is suffering from

(1) Hypertensive cardiovascular disease
Cardiac insufficiency.
(2) Arteriosclerosis, general, moderate.
(3) Hemorrhage from cerebral vessel on right side due to arteriosclerosis, old, residual effects from.
(4) Degenerative joint disease, multiple.

(b) That this condition results in disabling him for active duty in the U. S. Coast Guard.

(c) That this condition is permanent.

(d) That all reasonable measures for the amelioration of his condition have been tried.

(e) That this disability results as an incident of service and is not the result of his own vicious habits.

Subj: Retired pay

1. Reference is made to your post card dated 5/4/50, making inquiry relative to the increase in your retired pay as a result of the passage of Public Law 351, 81st Congress, approved 12 October 1949.

2. You are advised that the President signed the Executive Order prescribing regulations as authorized by section 411, Public Law 351, on 25 April 1950; therefore, the Coast Guard may now proceed with the work involved in connection with making adjustments in the pay of personnel retired for physical disability prior to 1 October 1949. However, there are over 3,000 cases to be reviewed by a board to be convened for the purpose of evaluating the degree of physical disability that existed at the time of retirement before adjustment may be made. You will be notified within the next several months of the degree of physical disability which the board finds in your case so that you can make the election authorized under Sec. 411 of the Career Compensation Act of 1949.

3. The anxiety expressed by you in desiring to have your retired pay adjusted is understood and you can be assured that this office will expedite the forwarding of any further information relative to this matter as soon as possible.

INSTRUCTIONS

1. The act, approved February 14, 1922, prescribes that "each executive department, and each independent establishment of the Government not within the jurisdiction of any executive department, shall establish and maintain such record as will enable it to determine the amount deducted within each fiscal year from the basic salary, pay, or compensation of each employee within its jurisdiction to whom this act applies. 2. A complete official record in the Federal service of the employee named should be set forth on this abstract. If an employee is transferred to another department, an abstract will be prepared in duplicate, showing his appointment in the department from which transferred and all changes of grade or compensation while therein. The original, properly executed, will be transmitted to the department to which transferred, the duplicate to be retained in his personal file. Should such employee be again transferred, the second department will prepare an abstract setting forth the data contained in that received by it, with the addition of his record while in the second department, such abstract to be transmitted to the department to which he is transferred, a duplicate being retained.
In the case of a nominal reinstatement for the purpose of transfer, the department to which the employee is transferred should apply to the establishment in which the former service was rendered for an abstract of record in the case. Statements of employees must not be accepted unless verified from official records.

Sheet #2. 3/13/22

Sat. Feb. 16 not in dup.

Commissioner of Lighthouses,
WASHINGTON, D. C.

Subject:- Conduct of employee, report of injury, etc.

1. On January 12, 1922 F. H. Story, Additional First Assistant Keeper Eldred Rock Lightstation, submitted Report of Injury, form C.A.1, and memorandum for reimbursement of traveling expenses incurred in obtaining medical aid. The matter was investigated and it is believed that the facts brought out are of sufficient importance to require report to the Bureau, although the Superintendent has not considered it necessary to prefer formal charges against the employee.

2. The Report of Injury alleges that Story was injured by a strain incurred while working at the station. He left the station on December 27, 1921, proceeded to Juneau, consulted a private physician (not a Public Health Officer), and then took the first boat for Ketchikan. Upon arrival he reported to this office in person stating that he was in condition for duty and that his medical adviser considered no treatment necessary. He was directed to return to his station on the next boat, which he did.

3. The following papers bearing upon the matter are herewith attached: Keeper's letter of December 27, 1921 reporting Story leaving the station; letter from this office to Keeper dated January 14, 1922; Keeper's reply of January 27, 1922 to the foregoing; Report of Injury with indorsement of Keeper and Second Assistant Keeper; letter from this office to Story, February 16, 1922; Story's reply thereto, accompanied by signed statement from Dr. Dawes.

4. As confirmation of the alleged injury is not furnished by either of the other two persons on the station, and as the letter from Dr. Dawes makes no mention of possible injury, it is considered that sufficient proof of injury is lacking, and it is recommended that the employee be not reimbursed for his expenses of travel from the station to Juneau or Ketchikan and return.

5. As at the time the employee left the station he was in need of medical attention his departure from the station is considered proper. He may have had reason to believe that he had suffered injury in the line of duty, and it is not deemed necessary that he be disciplined for so representing and for seeking reimbursement for his expense of travel to obtain medical attention, although it is considered that he displayed poor judgement in submitting a claim when there was practically no evidence to support it.

6. Story admits having prepared draft of a report relating to the alleged injury, which he submitted to the Keeper but which the latter declined to

forward. He states, however, that he did so at the suggestion of the Keeper, who had no printed forms on hand and suggested that Story indicate the form of the report which he desired made.

7. In regard to the report of the Keeper that Story was of little value at the station, it is believed that elimination of the latter from the Service upon the basis of this one unfavorable report is not warranted, in view of the fact that it has been found by experience that keepers' estimates of the efficiency of their subordinates are sometimes based upon misunderstanding and are not always sound. Favorable report as to Story's efficiency was made by the Keeper of Cape St. Elias Lightstation, where he was on duty for more than a year. He is an ex-service man, having served about twenty-eight months in the Marine Corps during the war; he saw active duty overseas at St. Mihiel and Argonne and was slightly wounded. He seems to be rather lacking in judgement in his mental makeup.

8. It is proposed to retain this employee in the Service provided further reports as to his efficiency are not unfavorable, and to grant his application for assignment as Second Assistant Keeper at Cape St. Elias Lightstation at $960 per annum, base pay, effective about June first, at which time there will be a vacancy in the position referred to. In the meantime he is on furlough without pay awaiting assignment, his temporary appointment as Additional First Assistant Keeper at Eldred Rock Lightstation at $900 per annum having expired on February 16, 1922 and he having been granted all the leave with pay due him. prior thereto.

1. A letter has been received from you, dated December 27, 1921 and reading as follows:

> "I have to report that Mr. F. H. Story, the 1st Asst. has informed that it will be necessary for him to see a doctor for medical advice. He leaves the station this morning for Ketchikan. I don't know what is wrong with him as he did not inform us."

2. Mr. Story states that he left the station to obtain medical attention on account of an injury sustained by him in the line of duty at the station, and that you knew of the accident and understood that he was seeking medical attention on account of it, although neither of you knew the nature and extent of the injury. Please advise more definitely in this matter. It is understood from your letter, as written, that you were not aware at the time that his absence was on account of injury.

3. Mr. Story's Report of Injury has heretofore been forwarded to you for verification.

Sir:--

In regards to the accident which happened to Mr. Story, said accident happened in the following manner. We were putting in a new piston ring on the north engine, when putting the piston back Mr. Story was shoving with both feet on the piston and his back against the wall when the piston jammed, causing a strain. I did not know at the time and neither did he just what was the trouble and not having an accident blank did not make a report at the time, as I wanted to know to what extent he was hurt.

Sir:

In answer to your letter of January 14th, 1922, I wish to state that on December 20, 1922, Mr. Story landed here as 1st Asst. The next day he, Mr. Story told me that he had strained himself on the Boat coming from Juneau to this place. I asked him how he got hurt, he told me that he got mixed up with a woman. On the 22nd I found that the North Engine was working bad so I took the piston out and found a ring broke and the other rings was all froze to the piston with carbon. I cleaned the piston, put a new ring on, the new ring was too large so I had to grind it down several times before I could get it to go in the cylinder. I would grind off a little and then try and push it in with my feet against the piston head and my back up against the wall. This had to be done several times before we could get it in the cylinder. Now Mr. Erickson and myself was doing most of the work but Mr. Story showed on it a few times I finally got it in and the engine connected up and tried it out and it worked all right.

Now sir, on the 25th, three days after this supposed accident Mr. Story told me that he would have to go to Ketchikan for medical advice as he thought he had strained himself shoving on that piston. Mind you, sir, he had not said a word to me or Mr. Erickson about straining himself at the time we was working on the piston or untill 3 days after I reminded him of the strain he told me about on the mail boat he said it would not do for me, the Keeper, to report that he got injured in the way he told me as he would not get his expenses paid he said,"I wish you would make out a report like this", giving me a sample which I inclose. I refused to do anything of the kind as it would not be right for me to make a report that I know is not true. Now, sir, I suppose I ought to have reported this in the first place but I did not like to get the young fellow in trouble and as I understand that he would pay his own expenses down there and was not coming back here again I let it go at that. I was surprised to see him coming back again in fact, I did not want him back here as he was and is not much help to me on the station and you can judge for yourself about his honesty by his report. I do not like to knock a man like this but you wanted the truth of this matter and the above is the truth as near as I can state it.

Respectfully,

Lighthouse Superintendent,
Ketchikan, Alaska

Sir:--

Referring to letter of Feb. 16, 1922 in reference to Report of Injury;at the time I noticed the discharge, which was two days after the piston slipped,and at that time having felt a pain, at the time I naturally supposed it was caused by the aforesaid piston slipping. Mr. Ericson, the 2nd Asst. was within three or four feet of me at the time although he was not facing me. I distinctly remember mentioning something about hurting my side, but from a signed statement by him since it appears that he did not hear me or if he did has forgotten it.

As for me not doing much of the work as stated in Mr. Stinson's letter I consider that I was doing as much as either of them, and it was myself that proposed shoving with the feet in the first place, as for my honesty, spoken of my Mr. Stinson, personally I do not consider he has anything to say on that score, as all of my actions to him and everyone else were of the best.

As for proceeding to Ketchikan from the light, Mr. Stinson told me that he would send for another man so as not to be without three men any longer than possible, and I saw in the paper that a man had gone to the Rock on the mail boat, so I came on back to Ketchikan.

I am enclosing the doctor's statement who examined me in Juneau.

Very respectfully,

(Signed) F. H. STORY.

Subject: Charges against employee, F. H. Story, Lightkeeper.

1. Inclosed are two letters received through the Superintendent of the Seventeenth District from Mr. George J. Perkins of Perkins and Bailey, Attorneys, Portland, Oregon, in which certain charges are made against F. H. Story, recently transferred from first Assistant Keeper, Cape Blanco Lightstation, Oregon, at $1380 p.a. to Additional Keeper at Large in this district at $1500 p.a. The letters are accompanied by certain inclosures mentioned therein, and a transmitting letter from the Superintendent of the Seventeenth District is also inclosed herewith.

2. Mr. Perkins alleges, in brief, that Story practically deserted his wife, Marie Story, leaving her destitute; that he secured a divorce from her in Mexico without her knowledge; that such divorce is not legal in the United States; and that he was married to another woman, Helen G. Leigh at Chehalis, Washington, on June 20, 1933, without having been properly and legally divorced from his former wife. Mr. Perkins also claims that Story owes money to Marie Story and others, as stated in detail in his letter of August 11th.

3. Mr. Story has been furnished copies of all the charges and has been given opportunity to reply thereto. His two letters in answer to the charges, dated August 23rd and August 25th, respectively, are inclosed. The former is in reply to the first Perkins letter and the latter was submitted after the second Perkins letter was brought to his attention.

4. Mr. Story claims in defense that he has a divorce from Marie Story granted to him in Mexico in May, 1933, which divorce his attorney assured him is valid in the United States, and that there is, consequently, nothing illegal in his marriage to Helen Leigh at Chehalis, Washington, on June 20, 1933. He has shown me what appears to be a decree granting F. H. Story a divorce from Marie Story. It is in Spanish with English translation attached. I have made no attempt to test its authenticity or legality. Story also showed me letters from his attorneys assuring

him of the legality of the divorce in the United States. He admits that neither he nor Mrs. Story had ever resided in Mexico and that neither had been in Mexico in connection with the proceedings. The matter was handled for him by an El Paso, Texas, attorney whose advertisement he had seen in a Portland newspaper. The summons was published three weeks in advance in Mexico but there was no publication in the United States.

5. In connection with his transfer from the 17th District to the 16th District Mr. Story left Cape Blanco Lightstation on June 15, 1933, en route to Ketchikan, Alaska, traveling on official travel order and proceeding by way of Coquille, Oregon, Portland and Seattle in his own automobile. He tells me that Helen Leigh accompanied him in the car from Coquille to Seattle, they being married at Chehalis, Washington, June 20th while enroute. They left Coquille June 16th or 17th. Story sailed from Seattle on June 24th and his wife then, according to his statement, took the car back to Coquille, where she is now residing. Story's present position requires duty at lightstations where no quarters for families are provided. He has applied, however, for transfer to a family station when there is a suitable vacancy. It is evident that F. H. Story and Helen Story, although not residing together at the present time, regard themselves legally man and wife and no doubt they intend to live together when circumstances permit.

6. It is not considered necessary that this office make any attempt to determine whether or not a divorce granted in Mexico is valid in the United States. The attitude of the courts in different states might not be uniform, due to variations in state laws. Also, the circumstances surrounding the divorce action might materially affect recognition in this country. In this case Story has exhibited a very loose conception of marital obligations and lack of an ordinary sense of justice by sending to a foreign country to obtain a divorce from his wife, Marie Story, without her knowledge and with no opportunity for her to be heard. If he had proper cause for seeking a dissolution of the bonds of matrimony the action should have been brought openly in the State where the parties resided. Regardless of legal questions involved Story's action in this matter is considered a serious violation of a generally accepted code of public morals, for a contract of marriage would have little binding effect in this country if either party thereto could at will obtain release from its obligations through action instituted in a foreign country without the knowledge of the other party. The fact that Story took Helen Leigh to another State to marry her places him in a more unfavorable light.

7. It is therefore recommended that F. H. Story be dismissed from the Service for the reasons set forth herein and for the good of the Service, unless he desires to present his resignation, in which case, it is recommended that his resignation be accepted with prejudice. Permission to resign is recommended in view of Story's contention

that he is within his legal rights and on account of the opinion of this office that administrative officers should be concerned in the private affairs of employees only to such extent as is necessary to maintain discipline and to protect the reputation of the Service.

8. In regard to the indebtedness mentioned in Mr. Perkins' letter of August 11th it appears from Mr. Story's statement that he is paying some of this. As to the remainder it would be quite difficult to determine whether the indebtedness is just and legal within the intent of Article 491 of the Regulations, and for this reason it is not recommended that any measures be taken to compel further payments by Story.

9. Prior to his service in the Seventeenth District Mr. Story wasassistant keeper in this district from February 2, 1920, to July 12, 1926. In general suitability and moral standards he is regarded as below average.

1. Having reference to previous correspondence regarding the marital relations of Frank H. Story, recently transferred to the 16th District, there is inclosed herewith letter from George J. Perkins, Attorney, Portland, Oregon, which is self-explanatory. It would appear that Mr. Story should be required to make settlement for the amounts of his indebtedness.

2. In connection with the other phase of this situation and for your information, it might be stated that it has been previously held in the courts of Oregon that a divorce secured in Mexico is illegal and that re-marriage of a person on the strength of a divorce so secured constitutes bigamy. A professional man in this state was recently indicted on this charge and is now serving a sentence in the penitentiary.

Mr. Ralph R. Tinkham
Superintendent, U. S. Lighthouse Service

Portland, Oregon

Dear Sir:

In understand Mr. Frank H. Story has been for some time employed by the Government, in the Lighthouse Department, and that he was recently transferred from Cape Blanco in Curry County to some station in Alaska.

In September, 1932, Mr. Story was living with his wife, Marie Story at Sixes, Oregon. He stated to his wife that he was mentally disturbed and asked her to make a visit to her father in Portland; that he felt within a short time he would recover his equilibrium and that their domestic affairs would, from then on, run smoothly, or words to that effect.

Soon after Mrs. Story came to Portland, he wrote her and expressed regret that he had used a subterfuge in prevailing upon her to leave their home, and that he intended to start suit for divorce. I have this letter in my possession.

Later he filed suit for divorce against Mrs. Story in Coos County. The complaint was answered by Mrs. Story. Some months thereafter the suit was dismissed by Mr. Story. Mrs. Story then offered to return to him, and in reply to her offer, I received a letter from him, dated May 31st, 1933, in which he states that at the time the suit for divorce was filed in Coos County, he also filed suit for divorce against her in the Republic of Mexico, and stated that the Attorney General of the United States has ruled that the Mexican divorce is absolutely legal. A copy of his letter is attached hereto.

Mr. Story at all times knew the post office address of his wife, and never, at any time, informed her that any divorce proceedings had been filed in Mexico, she was never served with any papers, and his letter of May 31st, 1933, to me, was the first information that she had of an attempt having been made to procure a divorce in Mexico.

Neither Story or his wife have ever been residents of Mexico. He did not mention in what State of Mexico, or where the alleged divorce was procured. Inasmuch as neither party was ever a resident of Mexico, and Mrs. Story was never served with any papers, I am confident that any decree of divorce that may have been signed, or entered, is absolutely void and a nullity.

(COPY)

I am further absolutely sure that the Attorney General of the United States has never advised Mr. Story that such a divorce would be legal. Evidently he has attempted to convey the impression that he is a government employee, and has procured advice from the Department of Justice, or that his attempt to procure the divorce in Mexico was sanctioned by the Government.

Story is supposed to have left Portland on the evening of the 19th or the morning of the 20th of June, for Seattle, preparatory to sailing for Alaska with the object of taking a position with the Government in the Lighthouse Service Department somewhere in Alaska.

On June 20th, 1933, a marriage license was issued in Lewis County, Washington, to Frank H. Story and Helen G. Leigh, the latter of San Francisco, California, and they went through a ceremony of being married to each other at Chehalis, Washington, on June 20th, 1933. I am enclosing a copy of letter received from the County Clerk of Lewis County, with reference to the alleged marriage. I am satisfied this refers to the Frank H. Story who is the employee of the Lighthouse Department of the Government.

Story has left his wife destitute, and the very fact that he filed suit in Coos County, Oregon, and voluntarily dismissed it without going to trial, and attempted to procure a divorce in Mexico, is very strong evidence of the fact that he has no grounds for divorce from Marie Story, his lawful wife.

In my opinion he has never been legally divorced from Marie Story, and therefore, has not been legally married to Helen G. Leigh. If he is living with this woman in Alaska, he is probably guilty of bigamy. If he has paid her expenses from Oregon, or Washington, to Alaska, and is co-habiting with her, it may be that he has violated the Mann Act.

Regardless of whether he has violated any criminal law of the United States, or the laws of the territory of Alaska, his conduct in trying to be relieved of his marital obligations to Marie Story is subject to grave criticism.

I thought you would be interested in having this information.

Very truly yours,

/s/ George J. Perkins

Mr. R. R. Tinkham
Superintendent of Lighthouses

Portland, Oregon

Dear Mr. Tinkham: Re: File P

In answer to your letter of July 18th, with reference to the domestic difficulties between Frank H. Story, who is a lighthouse employee of the Government now employed some place in Alaska, and Mrs Story.

Mrs. Story feels that her husband should be prosecuted for attempting to marry, and presumably living with, some other woman while legally married to her, and would prosecute the case herself if she had the means to locate Story, ascertain whether or not he is now living with the woman that he pretended to marry, or whether or not he actually transported her from one State to another for immoral or unlawful purposes. Mrs. Story, however, is destitute and I do not know that there is very much that she can do.

If Story is prosecuted I think the proceedings would have to be brought by the District Attorney for the District of Alaska, in which he resides. Should the Government see fit to prosecute this case, Mrs. Story will give such information as she has, as she feels that she has been grossly mistreated by her husband, and he should be taught that he cannot defy the laws of the State with impunity.

Also, Mr. Story is indebted to his wife for money borrowed in the sum of $81. He is also indebted to Mrs. Story's Father, namely, Bert Simmons, for a balance owing on a note, principal $15, and accrued interest amounting to $30.33 as of July 31st, 1933, or $45.33 in all owing to Mr. Simmons. He is indebted to Meier & Frank Company in the sum of $12.32 for family necessities purchased by Mrs. Story and charged to him.

If any pressure can be brought to bear on Story to require him to pay his wife the money he borrowed from her, and to repay her father, I think it would be a very humane act, as Mr. Simmons is old and is working as a night watchman, I am informed at $2.00 a night, and is paid only for the actual time worked. Furthermore, Mrs. Story is absolutely destitute and if Story could be required to pay the money she actually loaned him, it would be of wonderful assistance to her.

Mrs. Story has been advised that the woman Story pretended to marry in Chehalis is a ballet dancer, and inasmuch as the ceremony was performed within a month from the time that he pretended to procure a divorce in Mexico, it would indicate that the marriage relations were not taken very seriously.

I know nothing of the facts except as they have been reported to me. I am sorry to annoy you with this detail, but believe you desire to know all of the facts.

Very truly yours,

/s/George J. Perkins

Sir:

Referring to 2nd paragraph of the Superintendent of the 17th District's letter as previously stated I had the assurance of the attorney, Mr. Arthur Berg, of Coquille who pronounced the Mexican decree as legal as anything obtainable in Oregon and who also knew I was going to be married before coming up here and said it was alright for me to do so. Personally I am not worried as to anything Mr. Perkins or the ex Mrs. Story can do in the matter. It is to me simply a case ot trying to cause me trouble.

Regarding the matter of the money owing Mr. Simmons up to the time I came up here payments were made a due, yesterday I received notice of deposit from my bank the first received since coming up here, and check is being mailed covering same, with the exception of the interest which they have wrong. I had the Bank of Bandon, Oregon, figure same so there would be no chance of error . I am sending $13.50 covering interest in full.

Regarding the money claimed as owing the ex Mrs. Story as I remember it when we were married she put something like $50 into a joint account and has since tried to collect same from me. Same which I refused to pay and still do as she has had value received many times over for anything she may think I owe Her.

As for the $12.32 of Meier and Frank the aaccount was closed when these items were purchased and Meier and Frank inform me that I am not liable for these items.

Mr. Perkins is somewhat misinformed as to my present wife's occupation, it is a Beautician and not a ballet dancer.

Dear Sirs:

Yours of the 29th received yesterday. For your information wish to advise that at the time I filed the case which I recently dropped, I also filed in Mexico, and also received in yesterday's mail an absolute decree of divorce from Marie Story, granted on the 25th of May, 1933.

In the event that there may be doubt in your mind as to the legality of Mexican divorces, I have it on A.1. authority that the U. S. Attorney General ruled that they are absolutely legal and binding. Therefore as far as I am concerned the matter is closed.

I might add that I took the precaution some months ago of notifying all stores that I would not be responsible for any of her debts, and have their acknowledgement of receipt of same.

Yours very truly,

/s/ F. H. Story

Memorandum:

In reference to the Superintendent's attached indorsement of October 4, supplementing his report of September 9, it appears that the Superintendent had not ascertained or considered the facts in his present indorsement in his previous report and recommendation, which dealt with more general aspects of the matter. Story's record is shown on the last page of the superintendent's previous report. Story's present attitude, including the matter of the debts referred to, seems not unreasonable, although it contains some traces of an unhappy experience.

The difficulty seems largely caused by the fact that the principals in this matter had advice from diverse schools of divorce lawyers. Under the circumstances it is suggested that the matter be submitted to the Department for information and with the statement that the Bureau was unable to make any determination as to the legal technicalities involved, but that aside from them, it is recommended that this keeper be cautioned as to the necessity of arranging his private affairs in a manner so that the Service will not be involved and that he endeavor to make some adjustment to this and in connection with the debts referred to by Mr. Perkins.

Since matter not originally taken up with Dept, Bur to take this action and send copy of corresp (ext. copies have been furnished) to Dept for info & files. [My personal feeling is that Story's divorce and remarriage were objectionable and of doubtful legality, but hardly so do to reflect on the Service or warrant its interference. Question of legality should be tested, if at all, by interested parties.]

Commissioner of Lighthouses:

The Department has received and carefully considered the Bureau's recommendation of October 26, for the dismissal of Frank H. Story, Keeper at $1500 per annum in the Sixteenth Lighthouse District, Ketchikan, Alaska, because of certain statements made by George J. Perkins, Esq., of Portland, Oregon, involving the legality of an alleged Mexican divorce in the United States and Mr. Story's subsequent marriage to another woman.

Inasmuch as such questions can only be determined authoritatively by the courts of the several states the Department is reluctant to take the action recommended by the Bureau. Furthermore, it is believed that the Department ordinarily should not concern itself with the marital affairs of its employees, especially in the absence of conditions constituting public scandal or disgrace. The information relative to Mr. Story's alleged indebtedness appears to be insufficient to warrant the imposition of disciplinary measures.

In view of the foregoing the Department is not inclined to approve the action proposed by the Bureau, but will be pleased to give further consideration to the case in the event the Bureau desires to pursue the matter further.

This memo. is in accord w. Dept's previously expressed views, but I believe Supt to. acc. if applic. would be for good of the Service.

While I feel that Story is no credit to the Service and that it would be desirable to be rid of him, I have doubts as to the effectiveness of the Supt's method. Even if Dist Atty shd advise divorce was not valid, it would be necy to prefer charges, and for matter to come before the Dept & C.S. Commission. It seems doubtful if they would consider as material, the opinion of ~~DA~~ atty on legality of divorce -

A conviction, if act were criminal, would be different.

Subject : Charges against Frank Story.
Reference: Bureau indorsement of Nov. 14, 1933 on Department letter of Nov. 11, 1933.

1. This office concurs in the view of the Department that ordinarily it should not be concerned with the marital affairs of employees. In this case it cannot be stated that there has been public scaldal but it has been officially brought to the attention of administrative officers that the employee has dissolved or pretends to have dissolved the marriage contract existing between himself and Marie Story, using methods which would be practically universally condemned by public sentiment, whether held to be legal or not. Failure to act upon the complaint would, it is believed, react to the discredit of the government service. The situation is further affected by the fact that Story is an applicant for transfer to a station where quarters for families are furnished. Obviously, he would not be permitted to live at a lighthouse with a woman who is not recognized as his wife, and if he is allowed to reside at a station with Helen Story this would appear to place official sanction upon the method which he has followed in separating himself from his first wife and marrying another woman. It would not be consistent to deny his request for transfer to a family station.

2. There is no further information as to Story's indebitedness and it is not believed that there is sufficient evidence to warrant action against him for non payment of debts.

3. Upon review of the matter no change is made in the recommendations heretofore submitted. I have recently conferred with the United States District Attorney for this Division of Alaska in regard to the legality of Story's alleged divorce and remarriage. The District Attorney was unable to give me a definite answer at the time but stated that he would advise me further later. The question of legality would not, of course, be definitely established through an opinion expressed by him but, if the Bureau or the Department so desires, action may be deferred pending receipt of further word from the District Attorney. His report may be delayed, as he is very busy preparing cases for an early term of court and is working short handed.

4. For the further information of the Bureau it is added that there is nothing in Story's character or efficiency which would render it desirable that he be retained in the Service.

W. A. Worrell

Superintendent.

January 19, 1934.

16th Superintendent's letter January 5, 1934, changes against Frank Story, keeper.

Returned to Superintendent of Lighthouses, Ketchikan, Alaska. Upon the basis of evidence now available the Bureau does not consider it practicable to take other action that has been done, but will entertain further specific evidence that may come to light, and your recommendation thereon.

The Bureau, however, would approve your action, if in your discretion it should be deemed for the good of the Service, in denying Story transfer to a station with family quarters.

Dear Mr. Dimond:

Referring to your letter of February 2nd and conversation in this office with regard to Mr. Frank H. Story, now stationed at Five Finger Island Light Station, Alaska:

Your letter relative to your conversation with Mr. Story and inquiries made of him with respect to transfer to a family station has been forwarded to the Superintendent of Lighthouses at Ketchikan. As explained, the provision of family quarters for keepers is a problem in many locations in this Service, but consideration is always given to the marital status of keepers and where children are involved, to the possibilities of their obtaining proper schooling. I am sure that the Superintendent will give every consideration to Mr. Story's desire for transfer to a station with family quarters consistent with his record and other similar requests which he has from deserving keepers.

Your interest in the matter is appreciated.

Very truly yours,

For the Commissioner:

C. A. PARK,
Deputy Commissioner.

Copy to Superintendent, Ketchikan, Alaska. Upon the occasion of Mr. Dimond's visit to this office he was advised of some of the difficulties in which Mr. Story had found himself on previous occasions and of the necessity of giving consideration to all of these matters, dealing fairly with the group of keepers as a whole. He was quite understanding of the situation and was merely desirous of bringing the matter to attention in view of his conversation with Story and favorable impression of him thus gained.

Returned to Superintendent of Lighthouses, Ketchikan, Alaska, with advice that the Bureau's radiogram of July 30 stated, "Frank H. Story to first assistant Tree Point approved at present pay thirteen twenty". Attention is invited to the fact that when a transfer is made without change in designation or pay, department approval is not required and such changes are regularly reported on Form 73a. Therefore, no Department notice will be issued in the present case and in order that the Bureau may report the effective date of Mr. Story's transfer to the Department, it is requested that you advise the Bureau of the date on which the transfer was carried into effect.

The amendment of the proposed pay in this case from $1380 to $1320 was in accordance with the regular practice and the rule governing transfers, which is stated in Bureau circular letter No. 390 of June 12, 1933. If Mr. Story's case is considered a meritorious one, however, the Bureau would have no objection to your office including his name among those recommended for administrative increases at the regular semi-annual period.

For the Commissioner:

W. P. Harman,
Administrative Assistant
