DEPARTMENT OF COMMERCE APR 8 1924 APPOINTMENT

CHIEF CLERK

1924 APR 8 AM 11 05

Commissioner of Lighthouses,
Washington, D. C.

Subject: C. B. Stowe, Keeper, Drum Point Light Station, Md.

1. Mr. Stowe is a comparatively young man who has rendered most excellent service as assistant keeper and keeper of various light stations in this district for the past ten or twelve years. He has been threatened with tuberculosis and once previously took an extensive leave spent in the mountains of North Carolina after which he returned to duty much improved in health. He is considered deserving of every consideration possible, at least until the enactment of a disability provision for the Lighthouse retirement system.

APPOINTMENT DIVISION

2. His present condition and desires are plainly set forth in the enclosure. Drum Point Light Station is a screwpile structure so located as to be accessible from the land by a short walkway so that it is to all intents and purposes a shore station. Mrs. Stowe is thoroughly conversant with duties of lighthouse keeping and I have no doubt whatever that the station would be properly taken care of by her and Mr. Stowe's father and mother. The regular provisions as to leave of absence, however, will not permit this office to grant Mr. Stowe the relief desired. From the humanitarian standpoint, however, I think it is very desirable to grant Mr. Stowe the leave requested and to let his salary continue as this would be necessary to cover his expenses while away in an endeavor to recuperate and recover his health.

3. It is accordingly recommended that the authority of the Department be requested to grant Mr. Stowe three months leave with pay conditional upon the arrangements outlined in Mr. Stowe's letter, namely: that the station be cared for by Mrs. Stowe and his father and mother during his absence. The Service will be under no additional expense by this action and I am satisfied that the station will be properly cared for and that the results to the Service as well as to Mr. Stowe will be beneficial. If the above recommendation is approved Mr. Stowe's leave could be arranged to begin about April 16th.
