AUG 19 11 23 AM '36

OFFICE OF SUPERINTENDENT, 16TH DISTRICT
KETCHIKAN, ALASKA

August 7, 1936

Commissioner of Lighthouses
Washington, D. C.

1. Department letter of July 14, 1936 notifying Paul Strand of change in pay from $1260 to $1560 P.A. in connection with change of station and duties (assistant keeper Point Retreat Lightstation to first assistant keeper Cape Decision Lightstation) is returned herewith recommended for cancellation for reasons explained below, which have come to the attention of the superintendent in connection with his inspection of Southeastern Alaska lightstations just completed.

2. Sydney H. Elder, first assistant keeper at Cape Decision Lightstation, heretofore nominated for transfer to Tree Point, a family station, will not be in a position to take his family to Tree Point until about February 1937. In the meantime it is very desirable that he be retained on duty at Cape Decision, where he is rendering very good service and is very much needed. It is proposed, therefore, to postpone putting into effect Elder's transfer, which has heretofore been approved by the Department, until about February 1937.

3. Paul Strand is not familiar with radiobeacon apparatus and does not seem to feel suited for duty at Cape Decision, a radiobeacon station. It is considered advisable, therefore, having regard for the best interests of the Service, to assign him to the position of additional keeper at large, instead of to first assistant at Cape Decision, and recommendation and nomination are submitted accordingly. Under the plan proposed in paragraph two there will be no vacancy at Cape Decision for several months yet, whereas it is necessary that Strand vacate his position at Point Retreat as soon as possible so that August Waltenberg who has been sent to the station under temporary detail, may enter on duty as Strand's successor.

4. Inclosed for department approval is order covering travel of Mr. Strand from Point Retreat Lightstation to Ketchikan in connection with his transfer to additional keeper at large, this travel order to be substituted for travel order heretofore approved for travel from Point Retreat to Cape Decision, which is returned herewith. Travel from Point Retreat to Ketchikan has already been performed.

Gentlemen: Re: Misc-2875389-MMW

Reference is made to your letter of October 16, 1950, transmitting for examination and report the claim of Mr. Paul Strand, P. O. Box #2141, Ketchikan, Alaska, for "back pay" while employed in the Lighthouse Service.

An examination of Mr. Strand's record shows that prior to the effective date of his retirement at the close of February 28, 1943, he was granted all accrued and accumulated annual leave to his credit.

In September 1948, Mr. Strand's annual rate of retired pay was recomputed in accordance with Comptroller General's decision, B-70029, dated October 23, 1947. This decision required that the retired pay of keepers be computed on the gross basis, that is, cash pay plus the value of the quarters occupied. As the result of this recomputation, a payroll for the additional compensation due Mr. Strand for the period March 1, 1943, through June 30, 1947, was forwarded to your office on September 16, 1948, for settlement. The additional compensation for the fiscal year 1948 was paid by the Coast Guard from the then current appropriation and the increased rate of annuity has been paid Mr. Strand from that time.

There is no basis for any claim concerning leave or "rent" and Mr. Strand's claim is returned herewith.

Sir:

Transmitted herewith for administrative examination and report is claim of Paul Strand, P. O. Box #2141, Ketchikan, Alaska, for "back pay" while employed in the Light House Service.

In response to a request from this office the claimant has further identified his claim as follows:

"This letter is in answer to your letter of September 19th, 1950 regarding my claim for back pay while I was in the lighthouse service.

"The kind of leave referred to is accumulated annual leave. The house rent was deducted from my pay while I was in the lighthouse service in the amount of $20.00 per month. This sum was also deducted from my pay while I was out on annual leave.

"I am unable to give you the dates on my service, but these should be on file in your office."

Your previous report dated September 16, 1948, file FA-PA 75, rendered in connection with adjustment of retired pay, covered the period March 1, 1943 to June 30, 1947.

If any amount is found to be due the claimant a short form pay roll should be furnished, showing the amount due, the dates on which leave was taken, rate of pay involved and the appropriations chargeable.

The enclosure should be returned with your report.

Dear Sir:

I am a retired lighthouse keeper, having put in 16 years in the service, and I believe that I am entitled to free hospital and doctor care whenever I need it. The Marine doctor here in Ketchikan, Alaska, Dr. R. W. Carr told me that I am not entitled to this free service. I was recently ill and need this case taken care of.

Will you please refer this matter to the proper department and have authorization sent to me to have my doctor and hospital fees paid.

Very truly yours,

Gentlemen:

Reference your file Misc- 2875389. Inclosed is a letter of Mr. Paul Strand, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period March 1, 1943 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $566.90 per annum, whereas, for the period March 1, 1943 to June 30, 1947, Mr. Strand was paid at the rate of $544.22 per annum - an underpayment of $22.68 per year, or $1.89 per month.

Computation of the amount due and appropriations chargeable are as follow:

2031255 - Retired Pay, Former Lighthouse Service, Coast Guard,	1943 -	$ 7.56
2041255 - " " " " " " "	1944 -	$ 22.68
2051255 - " " " " " " "	1945 -	$ 22.68
2061255 - " " " " " " "	1946 -	$ 22.68
2071255 - " " " " " " "	1947 -	$ 22.68
	TOTAL	$ 98.28

For tax withholding purposes, the records of this office show that Mr. Strand claims 1 exemption.

Mr. Strand's mailing address is P. O. Box 2141, Ketchikan, Alaska, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

ABSTRACT OF OFFICIAL RECORD OF U. S. GOVERNMENT EMPLOYEE

(For the use of the department to which the employee has been transferred)

INSTRUCTIONS

1. The act, approved February 14, 1922, prescribes that "each executive department, and each independent establishment of the Government not within the jurisdiction of any executive department, shall establish and maintain such record as will enable it to determine the amount deducted within each fiscal year from the basic salary, pay, or compensation of each employee within its jurisdiction to whom this act applies. When such employee is transferred from one office to another a certified abstract of his official record shall be transmitted to the office to which the transfer is made."

2. A complete official record in the Federal service of the employee named should be set forth on this abstract. If an employee is transferred to another department, an abstract will be prepared in duplicate, showing his appointment in the department from which transferred and all changes of grade or compensation while therein. The original, properly executed, will be transmitted to the department to which transferred, the duplicate to be retained in his personal file. Should such employee be again transferred the second department will prepare an abstract setting forth the data contained in that received by it, with the addition of his record while in the second department, such abstract to be transmitted to the department to which he is transferred, a duplicate being retained.
In the case of a reinstatement, the department in which the employee is reinstated should apply to the establishment in which the former service was rendered for an abstract of record in the case. Statements of employees must not be accepted unless verified from official records.

3. In Table II show the amount deducted for the retirement fund during each fiscal year, or part of fiscal year, the employee was in your service.

4. This certificate must be signed and countersigned (if necessary) by an official recognized by the Bureau of Pensions as authorized to sign certificate of administrative officer on application for refunds.

5. In the case service was per diem and continuous through the calendar year, so state; if intermittent, give dates of beginning and ending of actual employment, with the number of days served.

1. Department letter of July 14, 1936 notifying Paul Strand of change in pay from $1260 to $1560 P.A. in connection with change of station and duties (assistant keeper Point Retreat Lightstation to first assistant keeper Cape Decision Lightstation) is returned herewith recommended for cancellation for reasons explained below, which have come to the attention of the superintendent in connection with his inspection of Southeastern Alaska lightstations just completed.

2. Sydney H. Elder, first assistant keeper at Cape Decision Lightstation, heretofore nominated for transfer to Tree Point, a family station, will not be in a position to take his family to Tree Point until about February 1937. In the meantime it is very desirable that he be retained on duty at Cape Decision, where he is rendering very good service and is very much needed. It is proposed, therefore, to postpone putting into effect Elder's transfer, which has heretofore been approved by the Department, until about February 1937.

3. Paul Strand is not familiar with radiobeacon apparatus and does not seem to feel suited for duty at Cape Decision, a radiobeacon station. It is considered advisable, therefore, having regard for the best interests of the Service, to assign him to the position of additional keeper at large, instead of to first assistant at Cape Decision, and recommendation and nomination are submitted accordingly. Under the plan proposed in paragraph two there will be no vacancy at Cape Decision for several months yet, whereas it is necessary that Strand vacate his position at Point Retreat as soon as possible so that August Waltenberg who has been sent to the station under temporary detail, may enter on duty as Strand's successor.

4. Inclosed for department approval is order covering travel of Mr. Strand from Point Retreat Lightstation to Ketchikan in connection with his transfer to additional keeper at large, this travel order to be substituted for travel order heretofore approved for travel from Point Retreat to Cape Decision, which is returned herewith. Travel from Point Retreat to Ketchikan has already been performed.

Dear Paul,

I phoned the hospital and the Territorial Welfare about you.

The Territorial Welfare office says you should call there, in the Commercial Building, and make application for old age pension. After that has been approved you can have hospitalization at the expense of the Territorial Welfare.

Now you must pay the hospital bill yourself. I asked the hospital to give you the best rate possible. I hope they give you the same rate they give the Territory.

You should get the difference between what you are getting from the Federal Government and what the Territory should allow you if you were not getting the Government retired pay. When you get this extra money from the territory you should be able to pay the hospital a little at a time.

I expected you to phone me yesterday. Please phone me if you don't understand everything in this letter.

Very truly yours,

Hazel Stern

MEMO. to Lt. Comdr. Tomkiel, (Thru Chief Clerk)

Paul Strand, now at Five Finger LH, has requested that he be retired for disability when he has had 15 years service -- or about 1 Feb. 1943.

Since it usually takes several months for retirement of this kind to go through, you may wish to bring him to Ketchikan soon to take his medical examination. He could work temporarily at Base and then go on leave until his retirement is effective. See his letter of last March attached.

FET 9/28/42

Miss Tobin:

Will bring him in as you suggested and have him report to you.

From: Paul Strand, 2nd Asst. Keeper, Five Finger LH
To: Senior Coast Guard Officer, Alaskan Sector,
Thirteenth Naval District

Subject: Paul Strand, request for transfer.

1. I respectfully request a transfer to the Ketchikan Base as watchman, janitor or other position not involving arduous labor. I have had over 14 years lightstation duty and am 65 years of age. I still suffer discomfort as a result of a fall I had at Mary Island Lightstation in the line of duty about five years ago.

2. I intend to apply for retirement on account of disability when I have had 15 years service. I would appreciate it very much if I could be detailed without change in pay or status to the Ketchikan Base at the close of my leave until I have had fifteen years service, which would be for a period of approximately five months.

Commissioner of Lighthouses
Washington, D. C.

1. Department letter of July 14, 1936 notifying Paul Strand of change in pay from $1260 to $1560 P.A. in connection with change of station and duties (assistant keeper Point Retreat Lightstation to first assistant keeper Cape Decision Lightstation) is returned herewith recommended for cancellation for reasons explained below, which have come to the attention of the superintendent in connection with his inspection of Southeastern Alaska lightstations just completed.

2. Sydney H. Elder, first assistant keeper at Cape Decision Lightstation, heretofore nominated for transfer to Tree Point, a family station, will not be in a position to take his family to Tree Point until about February 1937. In the meantime it is very desireble that he be retained on duty at Cape Decision, where he is rendering very good service and is very much needed. It is proposed, therefore, to postpone putting into effect Elder's transfer, which has heretofore been approved by the Department, until about February 1937.

3. Paul Strand is not familiar with radiobeacon apparatus and does not seem to feel suited for duty at Cape Decision, a radiobeacon station. It is considered advisable, therefore, having regard for the best interests of the Service, to assign him to the position of additional keeper at large, instead of to first assistant at Cape Decision, and recommendation and nomination are submitted accordingly. Under the plan proposed in paragraph two there will be no vacancy at Cape Decision for several months yet, whereas it is necessary that Strand vacate his position at Point Retreat as soon as possible so that August Waltenberg who has been sent to the station under temporary detail, may enter on duty as Strand's successor.

4. Inclosed for department approval is order covering travel of Mr. Strand from Point Retreat Lightstation to Ketchikan in connection with his transfer to additional keeper at large, this travel order to be substituted for travel order heretofore approved for travel from Point Retreat to Cape Decision, which is returned herewith. Travel from Point Retreat to Ketchikan has already been performed.
