1. I recommend that the Department commend Keeper Robert C. Taylor and First Assistant Keeper George H. Hickman at Harbor of Refuge Light Station, Del. for exceptional service and devotion to duty in maintaining the light and fog signal and caring for government property during the storm of February 3, 4 and 5, 1920.

2. This storm wrecked the wharf, destroyed the storehouse at station, carried away boats, boat davits, fog bell and equipment and tore up the decking of the lower gallery, flooding fog-signal room in base of tower.

3. The never flagging zeal of these two keepers and the capacity and devotion displayed by them during the continuous service demanded by this exigency are in my judgment worthy of especial notice.

The Fruit Steamer "Cuneo" ran on stone pile on the 27th, between 10 P.M. and 12 mid-night, during a N.W. gale. She went down the next morning, the 28th. The crew, consisting of 20 men had to get on stone pile with baggage.

We had to make room for them. It was blowing so strong that nothing could get here to get them until the 30th.

Steamer struck side of stone pile, just above bend.
