STATEMENT REGARDING CHANGE IN RATING
FROM BM1(L) TO BM1

CERTIFICATION OF QUALIFICATION

FOR

TEEPLE, Fernell W. (213-612) BM1 (L)

TEEPLE was interviewed by the Chief, Aids to Navigation Section, and by the Assistant Chief of the Section, Lieutenant Curtis H. Jurgens, on 11 January 1951. TEEPLE has been assigned to various Light Stations during the past four years and during the last two years has been under the direct personal observation of the above mentioned officers. His work during the period of observation has been above average. He is clean and neat as to uniform, keeps a clean station, maintains an efficient watch, and has taken steps which have resulted in Point Bonita Light Station having some of the best indoctrinated personnel in this District. This fact has been brought out in recent examinations of personnel for advancement and by routine checks of the Daily Log.

The following information was established from the interview and verified by the Personnel Card maintained by the District Personnel Office:

1. TEEPLE held the rating of Chief Boatswain's Mate from 4-16-45 to 7-1-46.

2. Reverted to BM1 for the convenience of the Government on 7-1-46.

3. Changed rating to BM1 (L) on 3-26-47, which was the first time he had held a rating with an (L) designator.

4. Has had the following sea duty:

   USS JOSEPH DICKMAN for period 6-18-41 to 10-25-41. Helped train Navy and Marine personnel in small boat amphibious operation.

   USS BARNETT for period 10-25-41 to 6-42. Same duty as on USS JOSEPH DICKMAN.

   YB-115 from 7-9-43 to 8-4-45, as Officer in Charge.

5. Recommended for promotion to warrant grade by the Commanding Officer, Coast Guard Group, Humboldt Bay, by letter dated 10 January, 1950.

This man is believed to be qualified in all respects for the rating of boatswains mate, first class (general duty), and it is recommended that favorable consideration be given to his request for change in rating and ultimate restoration of his rating of boatswains mate chief.

Inclosure: (A) Examination papers.(Form 2509)

1. It is requested that my rating be changed from MM1c(Pro) to BM1c(Pro). I feel that I am capable of handling the duties attached to this rating. There is a vacancy in the complement of this unit for that rating, and since being attached here I have been performing varied duties, and I believe I like Boatswain's Mate work better than that of Machinist Mate.

2. I have had seven and one half years service in the Coast Guard, and have had the rating of MM1c(Pro) since 16 April, 1942.

From: Officer in Charge, Port Huron Station
To; Commander, Ninth District.

Subject: TEEPLE, Fernell, W. (213-613) Surfman, accidental burning of.

Inclosure: 1. Form 2522 dated 27 December, 1935
2. Form 2599 dated 27 December, 1935

1. You are advised that while cleaning out the storage room, some black powder, which had been removed from the service haversack on account of dampness in May, 1935, and placed in a container for future disposal, was found, and on calling Boatswain (L) W. E. Holmes by telephone as to disposition of the same, was directed to throw it in the river, as it was considered deterioated.

2. Teeple was given the powder and directed to throw it overboard. While going over the ice to get to open water about 100 feet off shore, he slipped and fell spilling part of the powder on the ice. After throwing the balance overboard, instead of picking up the spilled powder and not realizing the danger, he threw several matches at it from a distance without results, then on coming closer, he threw another match, which ignited the powder and burned him about the face and hands. He was immediately taken to the Emergency Hospital in Port Huron for treatment.

In the event of war or National emergency declared by the President to exist during my term of service, I oblige and subject myself to serve until 6 months after the end of the war or National emergency if so required by the Secretary of the Navy unless I voluntarily reenlist or extend my enlistment. I understand that when so detained, I am not entitled to enlistment allowance and that in time of war the addition of one-quarter pay as specified in the Act of July 11, 1941, is not applicable.

I also oblige myself, during such service, to comply with and be subject to such laws, regulations, and discipline for the government of the Coast Guard as are or shall be established by the Congress of the United States or other competent authority, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and to such other preventive measures as may be considered necessary by proper authorities.

Third: I am of the legal age to enlist; I have never deserted from the United States Coast Guard, Navy, Army, or Marine Corps; I have never been discharged from the United States Service or other service on account of disability or through sentence of either civilian or military court; and I have never been discharged from any service, civil or military, except with good character and for the reasons given by me to the recruiting officer prior to enlistment. I am not a member of the Coast Guard Reserve, Naval Reserve, Naval Militia, Marine Corps Reserve, National Guard, or Army Reserve.

Fourth: I understand that upon enlistment in the Coast Guard Reserve, I may be ordered to active duty in time of war, or when in the opinion of the President a National emergency exists, and that I may be required to perform active duty throughout the war or until the National emergency ceases to exist and for 6 months thereafter.

Fifth: I have had this contract fully explained to me, I understand it, and certify that no promise of any kind has been made to me concerning assignment to duty, or promotion during my enlistment.

Oath of Allegiance: I, Fernell Wilson Teeple, do solemnly swear (or affirm) that I will bear true faith and allegiance to the United States of America, and that I will serve them honestly and faithfully against all their enemies whomsoever, and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to the laws of the United States and the regulations governing the Coast Guard.

And I do further swear (or affirm) that all statements made by me as now given in this record are correct.

In the event of war or National emergency declared by the President to exist during my term of service, I oblige and subject myself to serve until 6 months after the end of the war or National emergency if so required by the Secretary of the Navy unless I voluntarily reenlist or extend my enlistment. I understand that when so detained, I am not entitled to enlistment allowance and that in time of war the addition of one-quarter pay as specified in the Act of July 11, 1941, is not applicable.

I also oblige myself, during such service, to comply with and be subject to such laws, regulations, and discipline for the government of the Coast Guard as are or shall be established by the Congress of the United States or other competent authority, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and to such other preventive measures as may be considered necessary by proper authorities.
