INSTRUCTIONS TO APPOINTING OFFICER

The appointing officer before whom the foregoing certificate is made shall determine to his own satisfaction that this appointment would be in conformance with the Civil Service Act, applicable Civil Service Rules and Regulations and acts of Congress pertaining to appointment.

This form should be checked for holding of office, pension, suitability in connection with any record of recent discharge or arrest, and particularly for the following:

(1) *Identity of appointee.*—The appointee's signature and handwriting are to be compared with the application and/or other pertinent papers. The physical appearance may be checked against the medical certificate. The appointee may also be questioned on his personal history for agreement with his previous statements.

(2) *Age.*—If definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment. Until such determination is made, the appointment may not be consummated.

(3) *Citizenship.*—The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) appropriation acts. Form 61 constitutes an affidavit for both purposes and is acceptable proof of citizenship status in the absence of conflicting evidence. In doubtful cases the appointment should not be consummated until clearance has been secured from the certifying office of the Civil Service Commission.

(4) *Members of Family.*—Section 9 of the Civil Service Act provides that whenever there are already two or more members of a family serving under probational or permanent appointment in the competitive service, no other member of such family is eligible for probational or permanent appointment in the competitive service. The appointments of persons entitled to veteran preference are not subject to this requirement. The members-of-family provision does not apply to temporary appointments. I wish to introduce my self as Mr. Wm. F. Rhodes, the keeper of this station, Green's Legde Light Station, where Mr. Frank L. Thompson owes others here in Barnegat a bill or so, but since Mr. Thompson came down here and his wife and children, It was quite an expense for his family, specially moving his family down here, and then to have his wife take sick when she got here, in which Mr. Thompson came near lossing his wife, I wish to say that Mr. Thompson in my opinion he is trying to do his best to get on his feet and straighten out with those he owes, as Mr. Thompson is just getting straighten with those down here, what little he has left to live on his wife and children, is not much,

Mr. Thompson is now in the service and is trying to get on his feet to pay those he owes, So if you please just give Mr. Thompson a little time and he will try and send you part of it, until he is straighten with you, as I know Mr. Thompson is in poor circumstance, but he will do his best in the near future to send you something to wards the bill he owes you, hoping you will oblige the same?

Sir

I would like to be informed as to weather I could get a years leave of abrence or not I do not wish to leave the service and would be pleased if I could get family quarters in the near future.

It is impossible for me to pay the high rent and keep myself and family on the present salary but if I could get a shore station I could do very nicely.

I would like to know if there is any possible chance to be transfered and if not would like to have my leave of abrence take place on or about Mar 15th.

The Keeper Mr Rhodes informs me that if I am granted this leave, he can get a man in my place on the day I leave the station

In reply to your letter of February 23rd, you are advised that it will be impossible to grant you leave of absence for a period of one year.

In reference to the matter of transfer to any of the stations on the list which you have filed with this office, you are advised that it is impossible to state when there will be vacancies at any of these stations. Most of the stations included on your list are the most desirable in the district, and at which vacancies seldom occur.

At the present time, there is a vacancy in the position of Assistant Keeper at Falkner Island Light Station, where quarters are provided for the Keeper's family. The salary of the position is $540.00 per annum, with the usual ration allowance of 30 cents per day, and a fuel allowance of 14 tons of coal and 1 cord of wood per year for two keepers. The light is a 4th order flashing oil vapor, and the fog signal a first class air siren.

If you desire to be considered for transfer to this position, so advise this office.
