Dear Sir:

Referring to your letter of Jan. 19, 1937, you are informed that in view of the type of service now required at all Keeper stations involving ~~many~~ most exacting work in the performance of station duties and because of the circumstances under which you left the Service in 1932, it is not considered the Department would entertain your application for re-employment as a Lighthouse Keeper.

Dear Madam:

Having reference to the case of Mr. Martin B. Tomley, and in reply to your letter of Jan. 5, 1937, I have to advise further as follows.

The circumstances under which Mr. Tomley left the Lighthouse Service on Aug. 20, 1932, when his resignation was accepted, but not without prejudice, involved his use of intoxicating liquor at that time. However, as previously stated, Mr. Tomley's record indicates that his services and conduct were good up to the time of his leaving the Lighthouse Department.

In this connection I might say that it is not understood that the acceptance of Mr. Tomley's resignation on Aug. 20, 1932, but with prejudice, would necessarily affect his re-entry into the U. S. Civil Service after the expiration of one year from that date other than in the Lighthouse Service.

Insofar as the Lighthouse Service is concerned, as mentioned in my letter of Dec. 29, 1936, it is considered that it would be inadvisable to re-employ Mr. Tomley as a Lighthouse Keeper since the requirements of that position are very exacting, and it is necessary that a man assigned as a Keeper or Assistant Keeper be subject to discipline to a considerably greater degree than that under various other types of employment. The necessity for sobriety for a Lighthouse Keeper where the safety of life and property is dependent on the efficient functioning of a light is self-evident.

I regret that I have no knowledge of Mr. Tomley's actions subsequent to his leaving the Lighthouse Service in August, 1932.

Yours very truly,

F. A. Edgecomb,
Superintendent of Lighthouses.

RE: TOMLEY, Martin B.

Dear Mr. Edgecomb:

Thank you very much for your letter of December 29, 1936, regarding Mr. Tomley. May we ask you to interpret a statement regarding Mr. Tomley's last resignation. In your report regarding Mr. Tomley's work in the lighthouse service in Honolulu your last statement is "resignation accepted but not without prejudice, August 20, 1936." In your letter you also say that one of the reasons the Department of Commerce could not consider re-employing Mr. Tomley was because of the circumstances under which he left the department in 1932.

According to an interview with Judge Harry Flint of Kauai, Mr. Tomley's work was always satisfactory with the exception of the fact that he began to drink heavily toward the end of his employment on Kauai. Do your records indicate that drinking was a habit of Mr. Tomley and was this one of the reasons why you cannot consider re-employing him? To what extent did Mr. Tomley drink and did this interfere with his work?

Thanking you again for your helpfulness.

Very truly yours,

Lucia H. Gardner

- Atten: Lucia H. Gardner -

Dear Madam:

Acknowledgment is made of receipt of your letter of Dec. 21st, on Dec. 26th, with reference to the case of Mr. Martin B. Tomley.

Appended hereto is a memo showing the history of Mr. Tomley's employment in the Lighthouse Service, both on the mainland and in the Hawaiian Islands.

In this connection I might state that the separation card furnished Mr. Tomley on Aug. 22, 1932, indicated that his services and conduct were good until the time of leaving the Service.

In view of the type of service now required at all light keeper stations involving more exacting work in the performance of station duties, and because of the circumstances under which Mr. Tomley left the Department in 1932, it is not considered that the Department of Commerce would entertain his application for re-employment as a Lighthouse Keeper.

Moreover, there are no vacancies at the present time in the Keeper's position, and none anticipated for the near future.

It is also considered that there are no other positions at present in the Lighthouse Service to which we could consider assigning Mr. Tomley.

It is regretted that there appears to be no opportunity in the local Lighthouse Service organization where Mr. Tomley could be employed at the present time. In this connection it might be stated that our personnel has been considerably reduced during the past year or so, and we are now working with a minimum organization, and no new positions are being established.

Yours very truly,

F. A. EDGECOMB,
Superintendent of Lighthouses.

RE: TOMLEY: Martin B.

Dear Mr. Edgecomb:

Mr. Martin B. Tomley, recently applied to us for temporary assistance. He claims that he is unable to do manuel labor because of occasional disability in his left arm.

He tells us that he was in the employ of the Lighthouse Service from 1928 to 1932, at which time he resigned to take a trip around the world.

In 1935, Mr. Tomley was in the Letterman's General Hospital, San Francisco, California. After his hospitalization there, he was discharged from the army on account of compensation disability. Since that time he has been unable to secure steady employment.

Will you please let us know the history of his employment in the Lighthouse Service? Is there a vacancy in your organization at this time and would you consider reemploying him? Mr. Tomley is 54 years old. We are anxious to help him secure work in order that he may be independent. If there is no place in your organization for him, will you give us any information in your records regarding his personality and behavior which would help us to understand him and make the most satisfactory plan for him? Any report you give us will be considered confidential.

None

Thank you very much for your assistance.

Very truly yours,

Memo.

Mr. Martin B. Tomley called at the office during week of June 18-23rd, relative to possible reinstatement in the L.H.S. He states that he is at present in the 55th C. A. Battery at Fort Ruger, under Captain Fisken, and that his record has been excellent during this present enlistment.

In view of the poor caliber of men now on the register for Assistant Keeper, it is considered that it would be desirable to take steps looking to the reinstatement of Mr. Tomley at the next vacancy in the position of Asst Kpr in this district.

This is considered desirable because of the long and honorable record of Mr. Tomley in the Army, as well as his long L.H.record. It is considered that the slight blot on his record on his leaving of the Service can be overlooked, and that his reinstatement justified by the Superintendent based on his present enlistment record in the Army, provided same is clear at the time a vacancy occurs in the position of Asst Kpr.

1. Replying to your request on Form 76 for leave of absence of 20 days from August 1 to August 20, inclusive, you are again advised that under the operation of the Economy Act effective July 1, all annual leave with pay has been abolished for the fiscal year 1933 and your leave request is therefore not in order.

2. In the further application of the Economy Act, you are advised that all positions becoming vacant during the current fiscal year are filled only upon the approval of the President of the United States. This means that in the matter of resignation, sufficient time must be given to allow of the acceptance in the case of keepers of a resignation by the Department of Commerce and adequate time to provide for a new employee. Under paragraph 88, page 36, Instructions to Employees, 1927, it is stated that any person who leaves the Service without due notice or offers his resignation and leaves the Service without action thereon on such notice as to cause embarrassment to the Service, shall be recommended for dismissal, unless he can give satisfactory reasons for his action.

3. It is considered that your resignation dated July 20 is embarrassing to the Service if you intend to leave on July 30, no shore leave being possible. If, however, you are willing to consider the effective date of your resignation as of August 20, as specified therein, this office will forward same to the Department of Commerce for such action as they may see proper in the light of your reply of July 23 to the charges against you of July 17.

4. It is considered, under the circumstances, that unless you have reasons satisfactory to the Superintendent and the Department of Commerce, you will be recommended for dismissal unless at least 20 days' notice of resignation is given by you.

5. Reconsideration of your letter of July 20 and an early reply based on the above is requested.

Remarks: By letter dated May 6, 1930, the Department accepted without prejudice Tomley's resignation from position of Keeper (1st Asst), Makapuu Point Light Station, effective at close of May 6, 1930. Tomley stated in his resignation, dated April 7, 1930, that it was submitted to enable him to go to the "old country to settle some estate." Quarters are furnished for his family. Tomley has successfully passed the required physical examination. His previous service in this Department is as follows:

In 4th Lighthouse District

Laborer, May 4, 1921 to Nov. 26, 1921
Additional Keeper, Nov. 28, 1921 to Jan. 31, 1922

1st Asst Kpr " " " Sept. 1, 1929 to May 6, 1930.

It is considered that the public interest requires Tomley's reinstatement to his former position owing to the latter's past satisfactory service, and especially to his qualifications and experience for performing the duties of 1st Asst Kpr at Makapuu Point Light Station, at which a radiobeacon is also in operation. Tomley is considered to be more qualified for this position than Frank Pate, whose probationary period as 2nd Asst Kpr at this station expires at the close of Oct.2,1930, and who was reported by this office on Sept.4,1930, as being considered qualified for absolute appointment, in which opinion this office still adheres. The action recommended above was approved by the Superintendent before his recent departure for Washington.

Tomley's military record as given on standard form #15, herewith, has been verified with original Army enlistment and discharge papers and supersedes similar information furnished in connection with his previous reinstatements. Form 306, Record of his physical examination, together with Civil Service Commission form 1030, executed by Tomley, is enclosed.

Subject: 4th Supt's. letter Mar. 6,1925, re retroactive pay Keepers Gray, Williams and Tomlievitch.

1. Returned to Superintendent of Lighthouses, Philadelphia, Pa., with statement that before discontinuance the actual pay ranges for the keeper and first assistant keeper at Cape Henlopen Light Station were $1260 to $1500 and $1080 to $1320, respectively. Gray's pay while serving at Cape Henlopen appears to have been $1364.25 per annum, including subsistence. The probable adjustment on February 1 would apparently have been $1380, which accordingly appears the proper figure to be used in computing retroactive pay for service at that station. Williams' pay as first assistant keeper at Cape Henlopen appears to have been $1161.25 per annum, including subsistence. The probable adjustment in his case is $1140 which appears to be the proper figure to be used in computing his retroactive pay for service at Cape Henlppen.

2. The Department approved the general adjustment of keepers' pay effective February 1 and as Tomlievitch resigned from the Service prior to that date, it does not appear that retroactive adjustment can be made.

This reinstatement is desirable for the following reasons:

1. State what particular need can he fill that can not just as well be filled by promotion or appointment from a register.

His six years experience fits him to be of value from the beginning without going through period of training required of new appointees.

2. State any other reasons favoring reinstatement.

This district has experienced much difficulty in securing qualified light keepers from local registers, such appointees ordinarily remaining hardly long enough to learn the work, before resigning. It is considered for the good of the Service that Tomley be reinstated.

2. The Bureau concurs with your statement on the nomination that the assignment to duty of this keeper prior to authorization was necessary on account of an emergency, but it is not understood why nomination was not submitted prior to August 6, in view of which your report is requested. Relative to the delay of submission of nomination in the case of Tomley, the Bureau is advised that sufficient data was not available in this office for completing nomination on form 73 prior to receipt of personal history sheet which was not received in this office until August 4, 1928. This accounts for delay in submission of this form until August 6th. The other papers pertaining to reinstatement of Tomley were forwarded on August 20th, 1928.

It was probably necessary to assign this kpr. to duty on July 30 a/c emergency, but do not see any reason why he should wait until Aug. 6 to nominate him - sugg. f.r. from 19th on this.

Think nomination, however, can be submitted now with certification by Bureau that assignment to duty on date indicated was an emergency involving saving of life and property.

In order that further delay will not be experienced in connection with this Keeper's reinstatement and permanent appointment, sugg advise 19th to submit nomination therefor as soon as practicable.

11—2314

Remarks: By letter dated May 6, 1930, the Department accepted without prejudice Tomley's resignation from position of Keeper (1st Asst), Makapuu Point Light Station, effective at close of May 6, 1930. Tomley stated in his resignation, dated April 7, 1930, that it was submitted to enable him to go to the "old country to settle some estate." Quarters are furnished for his family. Tomley has successfully passed the required physical examination. His previous service in this Department is as follows:

In 4th Lighthouse District

Laborer, May 4, 1921 to Nov. 26, 1921
Additional Keeper, Nov. 28, 1921 to Jan. 31, 1922
2nd Asst Kpr Miah Maul Shoal Light Station, Feb.1,1922 to Oct.31,1922
1st Asst Kpr " " " Nov.1,1922 to Jan.31,1925
Resigned close Jan.31,1925
Reinstated 1st Asst Kpr Elbow Ledge Light Station, May 1, 1925
Resigned close July 5, 1927

In 19th Lighthouse District

Temp. 2nd Asst Kpr, Kilauea Pt Lt Sta., July 30, 1928 to Aug.29,1928
Reinstated, 2nd Asst Kpr " " " Aug.30,1928 to June 30, 1929.
2nd Asst Kpr, Makapuu Pt Lt Sta., July 1, 1929 to Aug.31,1929
1st Asst Kpr " " " Sept. 1, 1929 to May 6, 1930.

It is considered that the public interest requires Tomley's reinstatement to his former position owing to the latter's past satisfactory service, and especially to his qualifications and experience for performing the duties of 1st Asst Kpr at Makapuu Point Light Station, at which a radiobeacon is also in operation. Tomley is considered to be more qualified for this position than Frank Pate, whose probationary period as 2nd Asst Kpr at this station expires at the close of Oct.2,1930, and who was reported by this office on Sept.4,1930, as being considered qualified for absolute appointment, in which opinion this office still adheres. The action recommended above was approved by the Superintendent before his recent departure for Washington.

Tomley's military record as given on standard form #15, herewith, has been verified with original Army enlistment and discharge papers and supersedes similar information furnished in connection with his previous reinstatements. Form 206, Record of his physical examination, together with Civil Service Commission form 1030, executed by Tomley, is enclosed.

Page 2, "Remarks", of Form 73 dated Oct. 21, 1930 - MARTIN B. TOMLEY.

This confirms office recommendation by radio of this date.

Attention is invited to nomination by this office, dated Sept. 23, 1930, recommending reinstatement of Tomley as Keeper (1st Asst), Makapuu Pt Lt Station, (his former position), and to Bureau radio of Oct. 18, 1930, discontinuing, during his probationary period, the services of Rufus W. Calaway, Keeper (1st Asst), at this station. Calaway's probationary period expires at close of Nov. 6, 1930.

Tomley's temporary appointment recommended herein is for the purpose of discontinuing Calaway's services during the latter's probationary period and of placing Tomley on duty temporarily in this position pending action of the Civil Service Commission and the Department on the said nomination of Sept. 23rd for Tomley's reinstatement.

It is necessary that the position be not left vacant ~~in said position.~~ Quarters are furnished by the Government for Tomley's family.

Commissioner of Lighthouses:

The Department deems it necessary to invite the bureau's attention to the irregularities noted below in connection with the transfer and reinstatement of employees in the field service.

On September 2, 1930, the Superintendent of the Sixth Lighthouse District executed Standard Form No. 16 requesting the transfer of Robert A. Adams from the position of machinist at the Charleston Navy Yard to a similar position in the Sixth Lighthouse District, while the Office of the Nineteenth Superintendent recently made request upon Standard Form No. 15 for the reinstatement of Martin B. Tomley to the position of keeper in that District. Both of the standard forms mentioned should have been prepared in the Department, pursuant to appropriate recommendations submitted by the bureau.

The procedure governing transfers and reinstatements is prescribed by paragraphs 56 and 63, respectively, of the personnel regulations of the Department. It will be appreciated if the bureau will instruct the superintendents concerned accordingly.

Your use of Civil Service Commission Form 1030 and Standard Form 15 in recommending reinstatement Keeper Martin B. Tomley.

The Department has noted your use of these forms, and, since form 1030 is one to be used in establishing the legal residence of an appointee in the Departmental Service and Standard Form 15, one to be executed by the Department, has informally requested that you be advised to discontinue their use. However, form SS 93a, properly executed, should accompany all reinstatement recommendations.

All of these vacancies are to be filled by transfer except the position having the lowest salary range $1260-1620, which is to be filled from a register of eligibles in accordance with attached nomination. The filling of these positions will involve no additional expenditure, the present and proposed pay rates being as follows:

Station	Range	Pay Present	Pay Proposed
Makapuu Pt. L.S.(1st asst.)	$1320-1680	$1320*	$1500

These nominations are submitted in the light of Department circular E-7, excepting from Executive authority the filling of positions of this character without the continental limits. Each of these stations has an authorized complement consisting of the minimum personnel required for its safe and efficient operation, and the filling of vacancies as they occur is therefore absolutely essential to the safeguarding of life and property.

Since the aforementioned resignation of Martin B. Tomley on August 20, temporary laborers have been employed as substitute keepers at Makapuu Point Lightstation to provide a full complement pending the filling of the First Assistant Keeper position in the regular manner.

In answer to your letter of July 21, 1932, in regards to my conduct of July 17, 1932, yes I admit of returning to station from beach where I spent afternoon in swimming kind of weak on my feet.

Thru the Keeper -

1. Replying to your request on Form 76 for leave of absence of 20 days from August 1 to August 20, inclusive, you are again advised that under the operation of the Economy Act effective July 1, all annual leave with pay has been abolished for the fiscal year 1933 and your leave request is therefore not in order.

2. In the further application of the Economy Act, you are advised that all positions becoming vacant during the current fiscal year are filled only upon the approval of the President of the United States. This means that in the matter of resignation, sufficient time must be given to allow of the acceptance in the case of keepers of a resignation by the Department of Commerce and adequate time to provide for a new employee. Under paragraph 88, page 36, Instructions to Employees, 1927, it is stated that any person who leaves the Service without due notice or offers his resignation and leaves the Service without action thereon on such notice as to cause embarrassment to the Service, shall be recommended for dismissal, unless he can give satisfactory reasons for his action.

3. It is considered that your resignation dated July 20 is embarrassing to the Service if you intend to leave on July 30, no more leave being possible. If, however, you are willing to consider the effective date of your resignation as of August 20, as specified therein, this office will forward same to the Department of Commerce for such action as they may see proper in the light of your reply of July 23 to the charges against you of July 17.

4. It is considered, under the circumstances, that unless you have reasons satisfactory to the Superintendent and the Department of Commerce, you will be recommended for dismissal unless at least 20 days' notice of resignation is given by you.

5. Reconsideration of your letter of July 20 and an early reply based on the above is requested.

Commissioner of Lighthouses:

The Department deems it necessary to invite the bureau's attention to the irregularities noted below in connection with the transfer and reinstatement of employees in the field service.

On September 2, 1930, the Superintendent of the Sixth Lighthouse District executed Standard Form No. 16 requesting the transfer of Robert A. Adams from the position of machinist at the Charleston Navy Yard to a similar position in the Sixth Lighthouse District, while the Office of the Nineteenth Superintendent recently made request upon Standard Form No. 15 for the reinstatement of Martin B. Tomley to the position of keeper in that District. Both of the standard forms mentioned should have been prepared in the Department, pursuant to appropriate recommendations submitted by the bureau.

The procedure governing transfers and reinstatements is prescribed by paragraphs 56 and 63, respectively, of the personnel regulations of the Department. It will be appreciated if the bureau will instruct the superintendents concerned accordingly.

Remarks: By letter dated May 6, 1930, the Department accepted without prejudice Tomley's resignation from position of Keeper (1st Asst), Makapuu Point Light Station, effective at close of May 6, 1930. Tomley stated in his resignation, dated April 7, 1930, that it was submitted to enable him to go to the "old country to settle some estate." Quarters are furnished for his family. Tomley has successfully passed the required physical examination. His previous service in this Department is as follows:

In 4th Lighthouse District

Laborer, May 4, 1921 to Nov. 26, 1921
Additional Keeper, Nov. 28, 1921 to Jan. 31, 1922
2nd Asst Kpr Miah Maul Shoal Light Station, Feb.1,1922 to Oct.31,1922

1st Asst Kpr " " " Sept. 1, 1929 to May 6, 1930.

It is considered that the public interest requires Tomley's reinstatement to his former position owing to the latter's past satisfactory service, and especially to his qualifications and experience for performing the duties of 1st Asst Kpr at Makapuu Point Light Station, at which a radiobeacon is also in operation. Tomley is considered to be more qualified for this position than Frank Pate, whose probationary period as 2nd Asst Kpr at this station expires at the close of Oct.2,1930, and who was reported by this office on Sept.4,1930, as being considered qualified for absolute appointment, in which opinion this office still adheres. The action recommended above was approved by the Superintendent before his recent departure for Washington.

Tomley's military record as given on standard form #15, herewith, has been verified with original Army enlistment and discharge papers and supersedes similar information furnished in connection with his previous reinstatements. Form 206, Record of his physical examination, together with Civil Service Commission form 1030, executed by Tomley, is enclosed.

The Honorable,

The Secretary of Commerce.

Sir:

Under date of October 2, 1928, the Commission issued certificate number 25234, authorizing the reinstatement of Martin B. Tomley as keeper, $1200 per annum, in the 19th Lighthouse District, Hawaii, subject to filing a medical certificate at the earliest practicable date. The records do not show that this form has been furnished to date. Informal request was made by telephone on March 13, 1929, and it was stated that an effort would be made to expedite action. The Commission respectfully renews its request for a medical certificate to comply with the condition under which Mr. Tomley's reinstatement was authorized.

By direction of the Commission:

Respectfully,

July 2, 1929.

Paragraph two of your letter stated that it was not practicable at that time to arrange for a medical examination for Mr. Tomley, but that such an examination would be conducted when Mr. Tomley was next in Honolulu. The Department's records indicate that the Civil Service Commission approved the reinstatement of Tomley with the understanding that the required medical certificate would be later submitted. It is requested that the Bureau be advised promptly whether such an examination has been given Mr. Tomley.

Third Indorsement.

(To be executed by department or office in which reinstatement is proposed.)

Respectfully referred to the
U. S. Civil Service Commission.

This reinstatement is desirable for the following reasons:

1. State what particular need can he fill that can not just as well be filled by promotion or appointment from a register.

His six years experience fits him to be of value from the beginning without going through period of training required of new appointees.

2. State any other reasons favoring reinstatement.

This district has experienced much difficulty in securing qualified light keepers from local registers, such appointees ordinarily remaining hardly long enough to learn the work, before resigning. It is considered for the good of the Service that Tomley be reinstated.
