COMMISSIONER OF LIGHTHOUSES:

Herewith is transmitted the resignation of the following-named employee:

Name, Forrest A. Tuttle, Position, Assistant Keeper

Legal residence, Washington Station, Slip Point Light Station

Salary, $1260 per annum

The acceptance of this resignation is recommended effective at the close of April 8, 1931

This employee has **not** taken leave in excess of the accrued rate.

Remarks: Recommended that resignation be accepted to take effect at the close of April 8, 1931. Recommendation for transfer of this keeper was made for the reason that the keeper was dissatisfied with his services. He was not given opportunity to state whether or not he would accept the position prior to recommendation for the reason that his transfer was considered justified and it was expected that he would raise no objection since the transfer invloved an increase in pay and the station to which he was to be transferred was not considered any more inaccessible.

Observation of the work and attitude of this employee made at the time of two inspections of this station in 1930, together with various reports from the Keeper and district employees indicated a low efficiency rating. He was not reported on Form 106 pending further trial at another station.

Submitted to the Secretary of Commerce, recommending acceptance of resignation 11—4623 without prejudice effective at the close of April 8, 1931. OFFICE OF SUPERINTENDENT OF LIGHTHOUSES, 17th DISTRICT,

305 Custom House, Portland, Oregon, March 31, 1931

COMMISSIONER OF LIGHTHOUSES:

Herewith is transmitted the resignation of the following-named employee:

Name, Forrest A. Tuttle, Position, Assistant Keeper

Legal residence, Washington Station, Slip Point Light Station

Salary, $1260 per annum

4/14/31 – Mr. Faulkner says accept.

approx. 5 yrs service.

Trans. from Slip Pt. to Ediz Hook.

The acceptance of this resignation is recommended effective at the close of April 8, 1931

This employee has **not** taken leave in excess of the accrued rate.

Remarks: Recommended that resignation be accepted to take effect at the close of April 8, 1931. Recommendation for transfer of this keeper was made for the reason that the keeper was dissatisfied with his services. He was not given opportunity to state whether or not he would accept the position prior to recommendation for the reason that his transfer was considered justified and it was expected that he would raise no objection since the transfer involved an increase in pay and the station to which he was to be transferred was not considered any more inaccessible.

Observation of the work and attitude of this employee made at the time of two inspections of this station in 1930, together with various reports from the Keeper and district employees indicated a low efficiency rating. He was not reported on Form 106 pending further trial at another station.
