It is apparent that but for your timely assistance, Mr. Nordby and party would have faced a dangerous situation with very little likelihood of obtaining assistance from other sources.

Dear Sir:

It is my pleasure to express for my companions and myself our gratitude and appreciation for the courteous treatment and assistance we received from the branch of your department at Dungeness.

If it had not been for your Mr. Umdenstock, we might have drifted all night out into the straits as the tide was going out and the motor in our boat was dead.

Mr. Umdenstock towed us into safety, and the next morning took it upon himself to see that a capable mechanic from Sequim was there to service our boat.

This type of service is highly commendable, and again I wish to express our thanks for the assistance rendered us by your department in our dire need.

Yours very truly,

/s/ L.B. Nordby

The position of 3d assistant keeper at Destruction Island Lightstation was discontinued at the close of June 30, 1933, since which time Umdenstock has performed the duties of 2nd assistant at this station. William Gadsby, the regular 2nd assistant at the station, was proposed for transfer to the 16th District but later declined and was subsequently recommended for transfer to Tillamook Rock, which has now been approved by the Department. In the meantime Gadsby has been doing substitute duty at other stations and when not on duty has been placed on furlough.

It appears that a temporary additional position is necessary for the occupancy of Umdenstock from July 1 pending the formal transfer of Gadsby, in order that the records may be clear.

Trans. made eff. Sept. 4, says Mr. Morgan a, 19

The above-referred-to transfer became effective beginning with 7-1-33

Mr. Richmond E. Umdenstock
Route 3, Box 317
Alderwood Manor, Washington

Dear Mr. Umdenstock:

On the advent of your retirement from the service of the Federal Government and the Seattle Port of Embarkation, it is considered appropriate to recognize your long period of service. Your personnel record shows that your Federal employment totals nearly 32 years, of which more than 11 years have been at this installation.

Since your entrance on duty at the Port on 19 May 1944, you have been employed continuously on harbor craft. You have served as Master, Chief Engineer, and First and Second Engineer on various vessels and during this time you performed all phases of your assigned duties in an efficient and commendatory manner.

It is believed that the names of some of the craft on which you have served will bring nostalgic memories to you in the years of your retirement and recall the associations and friendships you have made. The mention of the Sierra, LT-187, T-45, ST-518, BSP-3247, T-67, and F-761 to which you were assigned and which have long since departed, should be a reminder also of the enlarged scope of operations here during the war years.

In addition to your service at the Port, your Federal employment includes Naval service from 1915 to 1919 and again from 1925 to 1929, service with the Bureau of Lighthouses from 1932 to 1942, Fish and Wildlife Service in 1942, and the Immigration and Naturalization Service from 1942 to 1944.

It is my earnest hope and that of your many friends in the Equipment Division and throughout the Port, that your years of retirement will be blessed with good health, happiness, and the satisfaction of a job well done.

Sincerely,

E. JEFF BARNETTE
Colonel, TC
Commanding

CONVERSION INFORMATION

You are entitled to purchase an individual policy of life insurance (except term insurance) without medical examination, in accordance with the provisions set forth in your CERTIFICATE OF GROUP INSURANCE. The individual policy may be in an amount equal to or less than your group life insurance and will be issued at rates applicable to the type of policy purchased, your current age, and class of risk.

If you wish to convert your group life insurance to an individual policy, type or print your name and address in the space below and send the original of this form to the OFFICE OF FEDERAL EMPLOYEES' GROUP LIFE INSURANCE, 330 FOURTH AVE., NEW YORK 10, N. Y. The envelope containing this form must be postmarked within 31 days of the date your group insurance terminated (see item 4 above) or within 15 days of the date of conversion notice (see item 6), whichever basis gives you the most time. Information on how to apply for conversion will be mailed to you promptly.

Your full name _____ Your address *(Number, street, city, zone, State)* _____

IMPORTANT NOTICE TO RETIRING EMPLOYEES

If you retire on an immediate annuity with at least 15 years' creditable civilian service or on account of disability, your group life insurance (not accidental death and dismemberment) will continue during retirement without cost to you PROVIDED YOU DO NOT CONVERT TO AN INDIVIDUAL POLICY. However, your group insurance, which is based upon your salary (not your annuity) is reduced by 2% each month beginning at age 65. The maximum reduction is 75%.

The original of this form should be attached to your application for retirement unless you prefer to convert to an individual policy. If your application for retirement is filed before you receive this certification, forward the original of this form as soon as possible to the agency or office which administers your retirement system. You will be notified by the Civil Service Commission of your insurance rights.

DEATH WITHIN 31 DAYS

Under certain conditions life insurance is payable if death occurs within 31 days after an employee's group insurance terminates, even though he had not applied for conversion. If death occurs within this period, further information concerning possible benefits should be obtained from the agency named above.

SUBJECT: Notice of Reduction in Force

TO: **Mr. Richmond E. Umdenstock, I-A**
S/Engr s/a Chief Engr
"T-89"
Equipment Division

1. Due to **a decrease in civilian personnel authorization** at this installation, it is necessary to reduce the number of civilian employees. This is to inform you that your name has been reached on the retention register for the competitive level in which you are employed. Your last day of active duty (last day of work) will be ~~See~~ **22 July 1955** ~. You will be carried on annual leave and/or leave without pay until **See paragraph #9**.

2. This installation appreciates your efforts and devotion to duty and regrets the necessity for this action. You should carry with you a feeling of personal satisfaction in having materially aided in successfully carrying out the mission of the Seattle Port of Embarkation.

3. The reduction in force regulations require that you be given an opportunity for transfer or reassignment within the Department of the Army in the same geographical location under certain conditions. For information concerning a possible transfer or reassignment, you should consult the Employee Utilization Branch, Civilian Personnel Division, immediately.

4. The Civil Service Commission helps place in other agencies those employees furloughed or separated through reduction in force who are in Retention Preference Group I (Career) or Group II (Career-Conditional) and who have competitive status. If you are eligible and want assistance you may file applications for two types of positions with the Commission. A separate application must be filed for each type of position. Applications may be filed with any or all of the following offices of the Commission:

(1) The central office in Washington, D. C.
(2) Any boards of examiners under the jurisdiction of the central office.
(3) One regional office.
(4) Boards of examiners filling positions in any one civil service region.

You may file applications as soon as you receive this reduction in force notice, but they must be filed within 90 days of your last day of active duty. A copy of this reduction in force notice, together with a statement from the agency that you are or are not eligible for entry on the agencies reemployment priority list, must accompany each application you send to the Commission.

5. If it is impossible to effect your reassignment prior to the date of your separation your name will be placed on the "reemployment priority list" for a period of one year from the date of your notice of Reduction in Force or until you request in writing that your name be removed from the list. If you tender your resignation during the notice period you will not be placed on the "reemployment priority list". Likewise, the acceptance of a non-temporary position in Federal service will remove your name from the "reemployment priority list". When position vacancies are filled at this installation and your name is on the "reemployment priority list" you will be given priority consideration over all other applicants for employment with the exception of qualified 10-point preference eligibles. The regulations require that veteran preference employees must be recalled to duty from this list before non-preference employees.

6. On your last day of work, it will be necessary for you to report to the Employee Utilization Branch, Civilian Personnel Division, bringing the following papers with you: Notice of Reduction in Force, SF-52 (furnished you by your supervisor) and your time and attendance record. This record should show 8 hours attendance on your last day of work. If you do not resign your record should show annual leave or leave without pay for any time between your last day of work and date your services are terminated. If your period of annual leave or leave without pay extends into the next pay period, you should bring an additional time and attendance record to cover those dates.

7. Selection of employees for reduction in force is made in conformance with Civil Service Rules and Regulations. You may visit the Civilian Personnel Division to examine the reduction in force regulations, retention registers or to obtain any additional information concerning this reduction in force action.

8. If you believe this reduction in force action would deprive you of any rights to which you are entitled under Reduction in Force Regulations you may appeal this action direct to the 11th Regional Office, Civil Service Commission. You must appeal, outlining specific reasons for the appeal, within 10 days from the time you received this notice of proposed action or you may, if you have completed a trial period, appeal this action through the grievance procedures as established at SEPE within 15 days from date of separation.

9. You will secure lump-sum payment for all accumulated annual leave the first regular payday following your absolute separation from the rolls at SEPE, provided that your leave accumulation does not exceed the amount for which payment is authorized by law. You will accrue leave for the period during which you remain in a pay status under this notice.

10. Every effort will be made by the Civilian Personnel Division to aid you in securing further Government employment. You should contact the Washington State Employment Service for information about jobs in private industry. Assistance may be obtained from the Employee Utilization Branch, Civilian Personnel Division, in solving personal problems or information not available to you through your supervisor.

Dear Sir:

I have received a notice of reduction in force from the position of Chief Engineer of the T-89.

The regulations concerning reduction in force have been explained to me, and I am willing to accept the position of Oiler on the LT-1928, at $3,209 per annum plus $252 subsistence and quarters in order that I may remain in the Government service.

Sincerely,

SUBJECT: Notice of Reduction in Force

TO: **Mr. Richmond E. Umdenstock, I-A**
S/Engr s/a Chief Engr
"T-89"
Equipment Division

1. Due to **a decrease in civilian personnel authorization** at this installation, it is necessary to reduce the number of civilian employees. This is to inform you that your name has been reached on the retention register for the competitive level in which you are employed. Your last day of active duty (last day of work) will be **25 July 1955**. You will be carried on annual leave and/or leave without pay until **See paragraph #9**.

2. This installation appreciates your efforts and devotion to duty and regrets the necessity for this action. You should carry with you a feeling of personal satisfaction in having materially aided in successfully carrying out the mission of the Seattle Port of Embarkation.

3. The reduction in force regulations require that you be given an opportunity for transfer or reassignment within the Department of the Army in the same geographical location under certain conditions. For information concerning a possible transfer or reassignment, you should consult the Employee Utilization Branch, Civilian Personnel Division, immediately.

4. The Civil Service Commission helps place in other agencies those employees furloughed or separated through reduction in force who are in Retention Preference Group I (Career) or Group II (Career-Conditional) and who have competitive status. If you are eligible and want assistance you may file applications for two types of positions with the Commission. A separate application must be filed for each type of position. Applications may be filed with any or all of the following offices of the Commission:

(1) The central office in Washington, D. C.
(2) Any boards of examiners under the jurisdiction of the central office.
(3) One regional office.
(4) Boards of examiners filling positions in any one civil service region.

You may file applications as soon as you receive this reduction in force notice, but they must be filed within 90 days of your last day of active duty. A copy of this reduction in force notice, together with a statement from the agency that you are or are not eligible for entry on the agencies reemployment priority list, must accompany each application you send to the Commission.

5. If it is impossible to effect your reassignment prior to the date of your separation your name will be placed on the "reemployment priority list" for a period of one year from the date of your notice of Reduction in Force or until you request in writing that your name be removed from the list. SUBJECT: Responsibilities of Supervisors in Connection with Safety and Accident Prevention

TO: Richmond E. Umdenstock
"BSP-3247"

1. In your supervision of the activities of other employees you are responsible for their safety as well as for the conservation of equipment and property used by them but assigned to you. Accordingly the following is considered an important part of your duties and responsibilities:

> "You, as the supervisor of others, are responsible for the instruction and training of subordinates in the safe and efficient performance of their duties; for studying the operations under your supervision with a view to correcting, or reporting for correction, any unsafe condition or unsafe work practice that might cause injury to the employee, other persons, or property. You will familiarize yourself with safe work procedures and safety regulations pertaining to your operations and will be responsible for putting them into effect. In case of accident you will secure prompt medical attention for the injured; take immediate steps to protect and minimize damage to equipment or property; and take action, or recommend action, that will prevent other accidents from the same unsafe act or unsafe condition. You will consider the safe performance of work under your direction as on the same level of importance as any other duty within the purview of your job."

2. Laxity in the performance and/or carrying out of duties and responsibilities pertinent to safety and accident prevention is as retarding to efficient operation as any other major laxity in your individual assignments.

3. Receipt of this communication will be acknowledged by first indorsement hereon, and this document will become an item of record in your 201 file.

Mr. Richmond E. Umdenstock
Route # 1, Box 1171
Alderwood Manor, Washington

Dear Mr. Umdenstock:

Receipt is acknowledged of your letter dated 29 June 1950, concerning your eligibility for annuity benefits at your present age.

Your retirement account, covering unverified military service from 30 April 1915 to 24 June 1919 and from 10 December 1925 to 9 December 1929, and service with various Government agencies from 9 March 1932 through the end of calendar year 1949, is on file in this office. It is estimated that as of 31 July 1950 you have rendered approximately 26 years and 6 months of civilian and military service, and attained the age of 58.

The Retirement Act provides that an employee under the Retirement Act may retire voluntarily at any time after he has reached the age of 55 and has completed 30 years of service. If he retires between the ages of 55 and 60 his annuity is reduced by $\frac{1}{4}$ of 1% for each full month he is under age 60. If he retires after attaining age 60 the annuity is not reduced because of his age. An employee who has reached the age of 62 may retire voluntarily without reduction in annuity at any time after completing 15 years of service.

The law further provides that any employee who is involuntarily separated, not by removal for cause or charges of misconduct or delinquency, after completing 25 years of service, is entitled to an annuity beginning the first of the month following separation or termination of pay status. Such an annuity is reduced by $\frac{1}{4}$ of 1% for each full month the employee is under the age of 60. The following paragraph is quoted from Civilian Personnel Regulations for your information:

"If an employee, after receiving separation notice because of abolishment of a position or liquidation of an office or of an entire agency, or separation notice which is based on selection from an approved

retention register in a reduction in force, resigns his position prior to the effective date of the scheduled separation, the separation is considered an involuntary separation for retirement purposes. Any such employee offered, in lieu of separation, a demotion or reassignment to another position, who resigns rather than accept such demotion or reassignment will, for retirement purposes, be considered as involuntarily separated from service."

Since you are currently employed and your manner of separation is unknown, it is not possible to advise you at this time as to the type of annuity to which you will be eligible.

Sincerely yours,

/s/ John J. Donovan

Dear Sir:

It is my pleasure to express for my companions and myself our gratitude and appreciation for the courteous treatment and assistance we received from the branch of your department at Dungeness.

If it had not been for your Mr. Umdenstock, we might have drifted all night out into the straits as the tide was going out and the motor in our boat was dead.

Mr. Umdenstock towed us into safety, and the next morning took it upon himself to see that a capable mechanic from Sequim was there to service our boat.

This type of service is highly commendable, and again I wish to express our thanks for the assistance rendered us by your department in our dire need.

Yours very truly,

/s/ L.B. Nordby

LIGHTHOUSE SERVICE

OFFICE OF SUPERINTENDENT OF LIGHTHOUSES, 17th DISTRICT,

July 1, 1933 , 19

COMMISSIONER OF LIGHTHOUSES:

The following-named employee was transferred as indicated, and entered upon duty at his new station on July 1, 1933.

Name, Richmond E. Umdenstock (3d assistant) Position, Keeper (Temp.add'l 2d asst)

From Destruction Island Lightstation To Destruction Island Lightstation

Salary and range, $1320 ($1320-1680) Salary and range, $1320 ($1320-1680)

Previous incumbent and pay, New position (Lt.#3625)

Services terminated, Reason,

The position of 3d assistant keeper at Destruction Island Lightstation was discontinued at the close of June 30, 1933, since which time Umdenstock has performed the duties of 2nd assistant at this station. William Gadsby, the regular 2nd assistant at the station, was proposed for transfer to the 16th District but later declined and was subsequently recommended for transfer to Tillamook Rock, which has now been approved by the Department. In the meantime Gadsby has been doing substitute duty at other stations and when not on duty has been placed on furlough.

It appears that a temporary additional position is necessary for the occupancy of Umdenstock from July 1 pending the formal transfer of Gadsby, in order that the records may be clear.

Transfer of Richmond E. Umdenstock from 3d asst. keeper, Destruction Island to 2nd asst. that station, effective 7/1/33 vice William Gadsby.

Your Form 73a of August 5 for the transfer above indicated is herewith returned. The transfer of Gadsby to Tillamook Rock was not approved by the Department until September 11, and therefore he could not properly vacate the position at Destruction Island prior to that date. Form 73a in the case of Umdenstock should be resubmitted, in duplicate, and the effective date should be the same or subsequent to the effective date of Gadsby's transfer to Tillamook Rock.

1. With the advise that the position of third assistant keeper, which Mr. Umdenstock occupied prior to July 1, 1933, was discontimued at the close of June 30. Mr. Gadsby was furloughed from the position of second assistant keeper, Destruction Island, on July 1, 1933, and has been used on substitute duty since that time and has been so shown on pay rolls from month to month. A revised Form 73a showing William Gadsby as furloughed at the close of June 30 is enclosed herewith.

R. R. Tinlcham,
Superintendent of Lighthouses.

October 9, 1933

Superintendent of Lighthouses, Portland, Oregon.

In further reference to the Bureau's letter of September 25 and your indorsement thereon of September 30 regarding the transfer of Richmond E. Umdenstock from third assistant keeper to second assistant, vice William Gadsby, at Destruction Island Lightstation, without change in pay:

The Bureau notes your statement that Gadsby was furloughed on July 1 from the position of second assistant at Destruction Island and that he has been on substitute duty since that time. This, however, does not alter the situation with regard to his position, it being considered that he still technically occupies it while on furlough or detail to some other station. In order to remedy the situation with regard to these two employees and their positions, the Bureau has prepared a recommendation for the authorization of a temporary additional position of second assistant keeper for Umdenstock effective July 1, his regular position of third assistant having been discontinued at the close of June 30. Form 73a has also been prepared and is forwarded herewith for Umdenstock's transfer from the temporary additional position to the regular position of second assistant vice Gadsby. Upon the latter's transfer to Tillamook Rock this Form 73a should be forwarded to the Bureau <u>in duplicate</u> reporting Umdenstock's transfer to the permanent position.
