Subject: Raymond H. Weeks, Lamplighter.

Reference: (a) Headquarters letter 8 December, 1942 (CG-CP-75).

1. Reference (a) advises that retirement deductions in the amount of $8.51 should have been made for subject personnel for the period 24 January to 30 June, 1942. Inasmuch as the gross amount earned for this period was $241.66, it would appear that $8.46 is the correct amount of retirement deduction. The gross amount earned in June, 1942 was $30.00, duties having been curtailed and salary reduced to $240 per annum plus quarters allowance of $120 per annum 1 June, 1942. Request Headquarters advise if $8.46 is the correct amount of retirement deduction.

8 December, 1942

From: Commandant.
To: District Coast Guard Officer, 11th Naval District.

Subject: Raymond H. Weeks, Lamplighter.

1. It is noted from Form 2806 that the allowance of $120 per annum for quarters has not been included in the gross pay of this employee since 1 December, 1940, date of his transfer to the 11th District. In view of the fact that retirement deductions for the period 24 January to 30 June, 1942, were made on the September, 1942, pay roll, salary for that period should not be included in the aggregate basic salary for 1942. Form 2806 has been amended to show the aggregate basic salary for 1941 in the 11th District as $350.00, and from 1 July, 1941, to 23 January, 1942, as $338.33. Your records should be noted accordingly. Retirement deductions should have been made in the amount of $8.51, to include the allowance for quarters, and it is requested that the difference between that amount and the $6.63 which you stated on Form 2806 would be deducted be taken up on your pay rolls and included in your annual statement for 1943.

From: District Coast Guard Officer, 11th Naval Dist.
To: Commandant, Coast Guard.

Subject: Status of lamplighters during period of temporary discontinuance of aids to navigation for the duration of the war; adjustment in pay, etc.

1. The following is submitted herewith for Headquarters' information:

Harold M. Davis, lamplighter, Newport Bay Aids to Navigation, $120.00 per annum, resigned 31 March, 1942.

Raymond H. Weeks, lamplighter, Santa Barbara Lighthouse Reservation, $480.00 per annum, salary reduced to $240.00 per annum plus quarters valued at $120.00 per annum, effective 1 June, 1942.

Harry V. Learnard, lamplighter, Fish Harbor Lights, at $240.00 per annum, furloughed effective 31 May, 1942.

Griffith R. Jones, lamplighter, Long Beach Breakwaters, at $360.00 per annum, furloughed effective 31 May, 1942.

From: Commandant.
To: District Coast Guard Officer, 11th Naval District, Los Angeles.

Subject: Status of lamplighters during period of temporary discontinuance of aids to navigation for the duration of the war; adjustment in pay, etc.

Reference: (a) Headquarters circular letter dated 24 February, 1942 (CP-626-701-75).
(b) Your letter of 13 March, 1942 (626-75).

1. It is understood from paragraph 1 of reference (b) that the services of James M. Stevenson, lamplighter at $420 per annum, Newport Bay Aids, will be permanently needed but that the services of Harold M. Davis, lamplighter at $120 per annum, who attends only the Newport Bay Inner Entrance Light, will not be needed due to the extinguishment of that light. If that is the case your recommendation is approved. However, the proposal to increase Mr. Stevenson's pay at the termination of the emergency from $420 to $540 per annum can not be approved at this time since conditions may change; the matter should be brought up at the proper time when the Newport Bay Inner Entrance Light is again placed in regular operation and requires the attendance heretofore given it.

2. Your proposal that Raymond H. Weeks, lamplighter at $480 per annum plus quarters valued at $120, Santa Barbara Lighthouse Reservation, be continued until such time as the reservation is transferred to the War Department, but that his pay be reduced to $360 per annum plus quarters valued at $120, is approved with the understanding that his duties have been curtailed sufficiently to warrant this reduction.

3. As to your proposal that Harry V. Learnard, lamplighter at $240 per annum, Fish Harbor Lights, and Griffith R. Jones, lamplighter at $360 per annum, Long Beach Breakwater Lights, be furloughed and those lights temporarily placed in the charge of the Depot Keeper at Los Angeles: Headquarters' record shows that the former Depot Keeper (Frederick D. Grimmet) was changed to a military status in 1941. It is assumed therefore that the depot keeper to whom you refer is an enlisted man rather than a civilian. If this is the case the action recommended is approved.

From: Commandant.
To: Commander, San Francisco District.

Subject: Pay of Raymond H. Weeks, lamplighter.

Reference: (a) District letter, 21 June, 1940 (75).

1. There is no reason for changing the pay of Mr. Weeks on account of the fact that authority for employments under Schedule A-I-6 are limited to a maximum of $540 per annum. Authority for the employment of lamplighters at a rate above $540 per annum is contained in paragraph 1a of Executive Order No. 8044, dated 31 January, 1939, which withholds from the classified service those positions to which, in the opinion of the Commission, it is not practicable to make appointments upon competitive examinations.
