My dear Mrs. White:

Receipt is acknowledged of your letter advising Headquarters of the death of your husband, Richard John White, Keeper, former Lighthouse Service, now United States Coast Guard, Retired, on 19 February, 1950. Please accept my sincere sympathy.

At the time of death, there was due the estate of your husband final retired pay. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlement of the final pay are herewith inclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin or the person who paid, or will pay the funeral expenses should execute the inclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the inclosed waiver form. This information is necessary to support the claim for the final retired pay.

When the inclosed forms have been completed, please return them to Coast Guard Headquarters in the inclosed pre-addressed envelope which requires no postage.

Subj: WHITE, Richard J., Keeper; proposed transfer of

1. Reference is made to Form 2660 of 5 April, 1948, for the transfer and promotion of Richard J. White from the position of Keeper at Lloyd Harbor Light Station, New York, to the position of Keeper at Plum Island Light Station, New York, and to your letter dated 13 April, 1948 (pc) 75.

2. On Form 2660 you recommend the effective date of Mr. White's transfer as 1 September, 1948, or as soon thereafter as he enters on duty, and that he be temporarily detailed to Plum Island Light Station pending action on permanent transfer. It is also indicated that transportation expenses of household effects is involved. In your letter of 13 April you state that Mr. White's family will not continue to occupy the quarters at Lloyd Harbor Light Station, as it is proposed to move his household effects to Plum Island Light Station by a Coast Guard tender on or about 1 May, 1948.

3. If Mr. White's household effects are to be moved to Plum Island Light Station on or about 1 May, 1948, it would appear that his permanent transfer to that station should be effected at that time rather than on 1 September as recommended, thereby making unnecessary his temporary detail. It also appears that no expense will be involved in the transportation of household effects in view of your statement to the effect that such effects will be moved by a Coast Guard tender.

4. If the quarters at Plum Island Light Station will not be ready for Mr. White's occupancy until 1 September, 1948, and his family will not continue to occupy the quarters at Lloyd Harbor Light Station, it will be necessary to adjust his salary due to the discontinuance of family quarters at Lloyd Harbor Light Station. Please advise, giving the date he ceased to occupy family quarters.

Subject: Transfer

Your letter of Jan. 5, '48 just received. Reason for delay in reply weather conditions.

Your explanation of conditions at Plum Island Sta sounds good, and would be pleased to transfer there.

Please give me, in the event I am selected, ample time to prepare for transfer.

REFER TO FILE (pc)

20 April, 1948.

From: Commander, 3rd Coast Guard District
To: Commandant (PC-3)

Subj: WHITE, Richard J., Keeper; proposed transfer of

1. Reference is made to Headquarters' letter dated 15 April, 1948 regarding recent correspondence relative to the subject matter.

2. District recommendation on Form 2660 forwarded as of 5 April indicated the proposed effective date of this transfer as of 1 September in order to coincide with the contemplated separation of the present keeper of Plum Island Light Station, Albert C. Brennecke, who is scheduled for retirement because of physical disability (see Form 2660 dated 5 April). Mr. Brennecke has departed from the station and is presently at his home pending expiration of his sick leave. The Chief, Aids to Navigation Section is desirous of reestablishing family quarters at Plum Island Station and transferring Mr. White to this unit as soon as possible; thus it was requested that Headquarters approve of a temporary detail pending the actual separation of Mr. Brennecke, scheduled for 31 August. In the event that Mr. White's transfer can be made effective prior to 1 September, the District requests that such action be approved for 1 May, thereby eliminating the request for approval of temporary detail.

3. Family quarters will be made available at Plum Island Station immediately upon transfer of Mr. White thereto. Headquarters is advised that the District's original recommendation requesting authorization for transportation of household effects is in effect cancelled, inasmuch as the Chief, Aids to Navigation Section has since advised that a Coast Guard buoy tender will be made available for this purpose. Mr. White is presently serving as keeper and occupying family quarters at Lloyd Harbor Light Station and his eventual transfer to Plum Island Light Station will not require adjustment of salary on this account, as it is not proposed to discontinue his family quarters at any time. Mr. White will continue to serve as keeper of Lloyd Harbor Light Station until Headquarters approves of his transfer to Plum Island and at such subsequent time as the buoy tender may be made available for transfer of his household effects to the latter unit.

15 April, 1948

From: Commandant

13 April, 1948

Subj: WHITE, Richard J., Keeper; proposed transfer of

1. Reference is made to Form 2660 of 5 April, 1948, for the transfer and promotion of Richard J. White from the position of Keeper at Lloyd Harbor Light Station, New York, to the position of Keeper at Plum Island Light Station, New York, and to your letter dated 13 April, 1948 (pc) 75.

2. On Form 2660 you recommend the effective date of Mr. White's transfer as 1 September, 1948, or as soon thereafter as he enters on duty, and that he be temporarily detailed to Plum Island Light Station pending action on permanent transfer. It is also indicated that transportation expenses of household effects is involved. In your letter of 13 April you state that Mr. White's family will not continue to occupy the quarters at Lloyd Harbor Light Station, as it is proposed to move his household effects to Plum Island Light Station by a Coast Guard tender on or about 1 May, 1948.

3. If Mr. White's household effects are to be moved to Plum Island Light Station on or about 1 May, 1948, it would appear that his permanent transfer to that station should be effected at that time rather than on 1 September as recommended, thereby making unnecessary his temporary detail. It also appears that no expense will be involved in the transportation of household effects in view of your statement to the effect that such effects will be moved by a Coast Guard tender.

4. If the quarters at Plum Island Light Station will not be ready for Mr. White's occupancy until 1 September, 1948, and his family will not continue to occupy the quarters at Lloyd Harbor Light Station, it will be necessary to adjust his salary due to the discontinuance of family quarters at Lloyd Harbor Light Station. Please advise, giving the date he ceased to occupy family quarters.

REFER TO FILE

Kloyd's Harbor Light Sta.
October 15, 1945

From: Keeper Lloyd's Harbor Lt. Sta.

To Aids to Navigation Officer U. S. C. G. 3rd Naval Dist.

Subject: Unfavorable Leave conditions

Conditions concerning relief for annual leave at this station have become such as to require some changes for the better. Upon returning from leave the last three times I have found the Sta. in a deplorable condition, each time was worse than the time before, so bad in fact that I have concluded no more annual leave is possible for me.

To cap the climax there was a fire here in the lantern the last time I was on leave. The next thing to expect would be the quarters going up including furniture that cost me good money. These quarters cost me 20 dollars a month whether I or relief men occupy them.

The quarters upon my return Sept. 30, 1945 stunk of rotten meat & vegetables and were in a general filthy condition. There is not much satisfaction taking 15 days leave and upon return spending a couple weeks making quarters fit to live in.

There are two men sent here for relief at all times for leave. I have requested a change be made here such as was made at nearby Cold Spring Harbor Lt. Sta.

By discontinuing family quarters and having two men here some improvement would result. I would be able to take some leave in peace not thinking of what was facing me on return,

Besides annual leave this Sta. is entitled to 6 days a month compensatory leave. Because of prevailing conditions I have not had one day of that leave which has been in operation since Oct. 1944. These quarters are getting rather cramped for man and wife, there being only two rooms and small at that.

A refrigerator taking up quite some room has been installed in the kitchen causing a lot of changing around of furniture and storing some of it ashore.

My wife has been accustomed to a full sized bed while I have a studio couch in the kitchen from where I can give attention to the light with the least amount of disturbance. We will have to get rid of the bed and use cots now as the refrigerator will have to be placed where my couch was.

(signed) Richard J. White, Keeper

The plaster on wall and ceiling in quarters and tower is in poor condition crumbling and falling continually.

Subj: Lloyds Harbor Light Station; unfavorable conditions and repairs to

Ref: (a) Keeper, Lloyds Harbor Light Station, ltr. 15-October, 1945.

1. In reference to the inclosure, on 14 September, 1945, Ira B. McDaniel (650-278) W.T. 2c.(R) and Howard L. Frampton (500-619) M.M.3c (R) were assigned to subject Light Station, as relief for Richard L. White, Keeper, who was departing on leave. A report was received 26 September, 1945, from the station that a firein the tower had caused minor damage. After inspecting the station and questioning personnel at which time the unit was in a clean and orderly condition, a report was submitted to the Aids to Navigation Officer.

2. The station was inspected on the return of the Keeper and was in a disorderly condition due to clothing laying about the quarters. Some of the meats found in the refrigerator had spoiled, which was in part, due to the inexperience of the personnel in operating the kerosene refrigerator. McDaniel and Frampton were deprived of all liberty and ordered to put the station in an orderly condition, which was complied with.

3. There is no record at this unit of a request for a change as referred to in the inclosure, in regards to personnel. Neither has any request been received for compensatory leave, or reason for not requesting same.

4. The refrigerator referred to is a necessity at the station and although the quarters are very small it is not believed that the Keeper would be in favor of it being transferred.

5. It is requested that repairs be made to walls and ceiling where plaster is cracking and falling.

A. M. SCARBOROUGH

Subj: White, Richard J., pay adjustment

1. Reference is made to your recommendation in Form 2660 for the pay adjustment of ~~the~~ Mr. White on adcount of discontinuance of family quarters. In view of the fact that Keepers' ranges are now on a gross basis, there will be no change in the range when adjustment in pay on account of quarters is involved, therefore the pay of Mr. White will be adjusted to $2100 per annum including $60 per annum quarters in the range $1836-$2232.

2. With reference to your request for the additional position of Keepers at Lloyd Harbor Light Station you are advised that the civilian complement of that station is 1 keeper and therefore a new position will not be authorized.
