Referring to your letter of October 16th relative to the matter of Second Assistant Keeper Wright's request for five days' leave.

You are advised that if leave asked for by Mr.Wright is not in excess of that to which he is entitled and if the First Assistant Keeper is at the station there would appear to be no objection to granting the leave desired by Mr.Wright.

Inspector,

I was just called over to the second assistant's house, Samuel Wright. His wife informed me that he was in the attic of their house and wanted to take his life. I went in the house and found that the trouble was between Mr. Wright his brother and mother. I also found out that the second assistant and his wife had been having trouble and that she had packed up her things and was ready to go home to her mother. The trouble as far as I could find out is over an automobile and an other woman. The true facts Mrs. Wright refused to reveal.

I have adjusted the trouble to-day, but will inform you again if matters do not get any better. Trusting a report of this kind will not forwarded again.

Referring to your letter of Jan. 15th requesting information as to your chances of reinstatement in the Lighthouse Service.

As you stated in a previous letter that you would accept reinstatement only at a shore station with quarters for families, the chances of your reinstatement are not very ~~slim~~ Good. It is very seldom that there is a vacancy at such a station, and when there is one, it is the ~~system~~ to transfer to same a man who has been employed at a water station.
