The Honorable,

The Secretary of the Treasury.

Sir:

It is recommended that Bureau letter of November 18, 1938, requesting a thirty day extension of the temporary appointments of sixteen Storekeeper-Gaugers listed therein, District No. 14, San Francisco, California, be amended so as to omit the following names:

CIVIL SERVICE COMMISSION
NOV 19 1938

The Honorable,

The Secretary of the Treasury.

Sir:

It is recommended that the Civil Service Commission be requested to authorize the extension of the temporary appointments, for a period of thirty days from the dates indicated, of the following named Storekeeper-Gaugers, Alcohol Tax Unit, Bureau of Internal Revenue, for assignment to duty under the direction of the District Supervisor, District No. 14, San Francisco, California, with compensation at the rate of $2000 per annum, CAF-5, and $5.00 per diem in lieu of actual expenses for subsistence, together with actual and necessary traveling expenses, subject to the limitations prescribed by law and regulations, when absent on official business from their designated posts of duty, payable from the appropriation, "Collecting the Internal Revenue."

Vaaler, Oren H.	December 7, 1938
Wyley, Jr., George D.	December 21, 1938

The above named temporaries have been employed during the present vintage season in California. From the best information available many of the distilleries will continue to operate well past the first of January. Therefore, instead of appointing additional temporary Storekeeper-Gaugers, it is believed that the extension of the above 16 men will serve to a better advantage. It will not be necessary to recommend a further extension of their temporary appointments.

Claim No.: Z 264910

OCT 31 1950
(Date)

Mr. George D. Wyley and Mrs.
Laura J. Wyley,
755 Quincy Street,
Chehalis, Washington.

Sir and Madam:

Your claim for the amount of $111.81, representing the balance of lump-sum payment for leave under the act of December 21, 1944, 58 Stat. 845, due the estate of George D. Wyley, Jr., deceased, former employee of the Treasury Department, Coast Guard, Alcatraz Island Light Station, Alcatraz, California, has been carefully examined and it is found that no part thereof may be allowed for the reasons hereinafter stated.

There is on file in this office a claim by Gale Leroy Wyley, as son of George D. Wyley, Jr. Said claimant has submitted a certified copy of a birth certificate which shows that he was born on February 12, 1932, and Ruby Fern Culver and George D. Wyley, Jr. are named as parents.

Furthermore, the Department of Public Health, Bureau of Records and Statistics, Vital Records Section, Sacramento, California, has advised this office that this is a case of legitimation where the natural father and mother married after the birth of the child; that it has a verification of the marriage which occurred on December 20, 1932, and that the law permits said department to seal the original birth certificate with the affidavits of correction to public inspection and to set up a new birth certificate in the name of the father.

Under the laws of descent and distribution of the State of California, domicile of the decedent, children are entitled to the assets of a decedent's estate in preference to parents of a decedent.

I therefore certify that no balance is found due you from the United States.

Respectfully,

Lindsay C. Warren

1. Reference is made to your dispatch 251930Z in which you stated that leave was charged presumably in the case of keepers only, on the basis of 24 hours per day with no charge for Saturdays, Sundays, and holidays.

2. You are advised that the leave accounts for keepers should be kept in the same manner and under the same procedures as are the leave accounts of the other employees in your District, that is in accordance with the Annual and Sick Leave Regulations, Chapter Z-1-353 through 358 of the Federal Personnel Manual. The necessary adjustments should be made in keepers' leave accounts to conform with these regulations.

3. Under the regulations, keepers earn leave at the rate of 26 eight-hour days per year and therefore should be charged only 1 eight-hour day for each day in a leave status.

4. Although it may be the practice of your office to account for the time of keepers on a 24-hour basis, the charge to leave should be made on the basis of 8 hours a day.

5. It is requested that Mr. Wyley's leave account be reexamined on the basis of the above and Headquarters (PC) advised by dispatch as to the correct number of hours of annual leave to be paid in lump-sum and the period covered by the payment.

Dear Sir: In re your file pc 75 George D. Wyley, Jr.

Your letter of December 5, 1949, received, which is relative to application for death benefits and for payments of amounts due deceased, on account of the death of George D. Wyley, Jr., deceased, former assistant Lighthouse keeper at Alcatraz Island Light Station.

I shall get in touch with the parents of Mr. Wyley and have them prepare and forward the necessary proofs.

I note that forms have been furnished to Gale L. Wyley, who has been spoken of as the son of said George D. Wyley, Jr. I have long been acquainted with George D. Wyley, Sr., and Mrs. Wyley and have no doubt that the information given me with regard to said Gale L. Wyley is entirely correct, which information is that Gale L. Wyley is the son of the divorced wife of George D. Wyley, Jr., by her marriage previous to her marriage to the said George D. Wyley, Jr. and that no relationship whatever exists as between George D. Wyley, Jr. and Gale L. Wyley, other than that said Gale L. Wyley is the son of the divorced wife of said George D. Wyley, Jr. I am reliably informed that George D. Wyley, Jr. did not adopt the said Gale L. Wyley and I have no doubt that on account of the boy's being the son of his former wife he frequently did refer to him as his son and probably treated him as a son. The mother of Gale L. Wyley is still living and has remarried since she obtained the divorce from George D. Wyley, Jr. and the boy's grandfather is also living and attended the funeral of George D. Wyley, Jr. and both the mother and grandfather are well known to Mr. Davis, the keeper at the Alcatraz Island Light Station and no doubt they will furnish any information which may be required and will corroborate my statements.

There is no right of inheritance whatever on the part of the said Gale L. Wyley from George D. Wyley, Jr. and any claims made by him for death benefits or for amounts due said George D. Wyley, Jr. and uncollected, should be rejected as unfounded.

I will have the claims properly presented on behalf of George D. Wyley, Sr. and Mrs. Wyley, who are the only persons entitled to benefits.

Yours very truly,

W. N. BEAL (Signed)

INSTRUCTIONS TO APPOINTING OFFICER

The appointing officer before whom the foregoing certificate is made shall determine to his own satisfaction that this appointment would be in conformance with the Civil Service Act, applicable civil-service rules, the War Service Regulations, and acts of Congress pertaining to appointment.

This form should be checked for holding of office, pension, purchase of office, suitability in connection with any record of recent discharge or arrest, promise to observe provisions regarding political activity, and particularly for the following:

(1) **Identity** of appointee with the applicant whose appointment was authorized. The appointee's signature and handwriting are to be compared with the application and/or other pertinent papers. The physical appearance may be checked against the medical certificate. The appointee may also be questioned on his personal history for agreement with his previous statements.

(2) **Age.**—If discrepancy exists between the date of birth and that on application, and if definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment.

(3) **Citizenship.**—The responsibility for observing provisions of appropriation acts prohibiting or restricting the employment of noncitizens lies with the appointing officer. The Civil Service Commission indicates on applications showing foreign birth that citizenship has been verified. The appointing officer should verify citizenship if the list of eligibles or the letter of authority from the Commission makes the appointment subject to proof of citizenship, or if the application shows foreign birth but does not indicate on its face that citizenship has been proved. If the answer to question 4 of this form shows foreign birth and the application shows birth in the United States, the case should be referred to the Civil Service Commission.

(4) **Members of Family.**—Section 9 of the Civil Service Act provides that whenever there are already two or more members of the family in the classified service, no other member of such family is eligible for appointment in that service. Minors do not establish a different family merely by living at an address different from that of the parents. Doubtful cases involving more than two members of family, including all pertinent evidence, should be referred to the Civil Service Commission or its duly authorized representatives for decision. Under War Service Regulations, the member of family provision does not apply to temporary appointments for one year or

Mr. George D. Wyley,

Dear Mr. Wyley:

Headquarters has approved your return to duty as Keeper (2nd Asst.) Alcatraz Light Station from Merchant Marine Furlough and you are to report for duty immediately.

If for any reason you are unable to return to duty at this time, you should submit a letter to that effect.

Prompt reply to this letter is necessary.

By direction of Rear Admiral W. K. Scammell, Commander, 12th Coast Guard District

Very truly yours,

Dear Mr. Davis,

Sorry I've been so long in thanking you for sending the chest. You surely went to a lot of trouble to crate it so well & it arrived in perfect shape.

I'm wondering if I could ask a big favor of you.

As you will see by the enclosed letter, which came registered yesterday, George is asked to report at once! At first I thought of answering it myself to explain that since we had planned to wait for an indefinite length of time to hear from them, he felt compelled to return to sea

duty while waiting, due to finances. Or something to that effect. Then I decided that since you & George have discussed the pros & cons of the situation, you would probably understand it better & that your explanation in the Office might carry more weight than anything I might write to them.

When George sailed the first time on the China Bear, he had turned in his papers resigning the job at Goat Island because of inadequate pay & said he would wait until such time as they saw fit to re-instate him at Alcatraz. And I believe he really doesn't expect an answer such as the one just received & think he gave that idea up entirely.

I only saw him for a few

hours this time when he was in & nothing was said about it, so I really can't say for sure just how he feels now.

However, I'm inclined to believe he'll accept it, because he wants to stay in. Also, I know how very anxious he is to finish his course (electrical) & go to night school (probably two or three evenings a week). That would be out of the question on a remote station.

Will surely appreciate your calling into the Office, or doing whatever you see fit about the situation. If all goes well, George should be back about the end of the second week in November. But will they wait that long for his decision?

Hope this finds all the dear-
house Keepers & their families at Al-
catraz in good health.

Thank you so much for all
your trouble.

Very Sincerely,

Mrs. F. Pixley

Dear Sir:-

I hereby withdraw my application for position of General Helper which I was offered in lieu of my position as Light House Keeper. I wish to renew my application as Keeper at Alcatraz Light Station.

Because of pressing need for employment to support my family I have taken a position on the S. S. China Bear of the Pacific Far East Line.

With the release of funds for the next fiscal years, it is hoped that upon my return in a matter of six weeks or two months, I can be allowed to assume my old job again.

I wish to thank everyone involved in this matter for their courtesy and kindness,

Subject: Statement of retirement deductions for fiscal year 1940.

(b) Headquarters letter 19 September, 1939 (CP-75).

Inclosures: (1) Supplemental statement of retirement deductions for fiscal year 1940, George D. Wyley, Jr.
(2) Reference (b).
(3) District letter 8 August, 1939, and its inclosures re Daniel H. Eggert.

1. In the case of Harry S. Pentz, monthly retirement deductions of $3.86 will hereafter be made from his salary of $1320.00 per annum.

2. In the case of George D. Wyley, Inclosure (1) is correct. He entered on duty on July 27, 1939. Reference (b) advised that deductions should be made from his salary for retirement inasmuch as the Lighthouse Retirement Law of 20 June, 1918, lapsed at the close of 30 June, 1939. Retirement deductions were not made from Wyley's salary until receipt of Reference (b), therefore deductions for July, August and September were made from Wyley's September pay check, amounting to $8.24. Commencing October 1st deductions were made at the rate of $3.16 a month for the remainder of the fiscal year. Total deductions $36.68. Adjustment will be made on October payroll as suggested by Headquarters.

3. In the case of Daniel H. Eggert, a typographical error was made in giving the date of the letter as 8 August, 1940, instead of 8 August, 1939.

Subject: Statement of retirement deductions for fiscal year 1940.

Reference: (a) Your letter, 2 October, 1940 (75). in retirement ded. file

Inclosure: 1. Supplemental statement of retirement deductions for fiscal year 1940, George D. Wyley, Jr.

1. It is noted from reference (a) that a monthly retirement deduction of $3.85 is made in the case of Harry S. Pentz. It is requested that hereafter all salary payments be made in accordance with the Government Salary Table Book of 26 February, 1936, which gives a monthly retirement deduction of $3.86 for a salary of $1320 per annum.

2. In the case of George J. Wyley, Jr., the attached supplemental statement is not clear as it is understood from reference (a) that this statement covers retirement deductions made from the rate of $1080 per annum for the period 1 October, 1939 to 30 June, 1940, inclusive. It is requested that a statement of retirement deductions actually made during fiscal year 1940 be furnished promptly.

3. As to an adjustment in the case of George J. Wyley, Jr., it is understood that your office began making retirement deductions 1 October, 1939, on his net or cash rate of pay of $1080 per annum, whereas the deductions should have been made beginning 27 July, 1939, on his gross or total rate of pay of $1320 per annum; and it is suggested that an adjustment be made on the next payroll. In entering the fiscal year 1941 retirement deductions on his form 2806 and on the statement of retirement deductions submitted to Headquarters, it is requested that a notation be made in the remarks column to the effect that the 1941 deductions include $ (state the amount) which should have been made during fiscal year 1940. Proper notation should also be made on the payroll.

4. In the case of the service record of Machinist Daniel H. Eggert, this office is unable to locate your letter of 8 August, 1940 (51) and it is requested that a copy of it be furnished.

Subject: George D. Wyley, Jr.; Appointment by Treasury Department

Reference: (a) Appointment of 30 June, 1939, by Department of Commerce

Inclosure: 1. Notice to Employee

Since Mr. Wyley did not enter on duty at Alcatraz Light Station before 1 July, 1939, the Treasury Department requested that a new nomination be submitted and its appointment of the subject employee, showing his entrance on duty 27 July, 1939, is enclosed.

The Lighthouse Service Retirement Law of 20 June, 1918, as amended, is interpreted to have lapsed at the close of 30 June, 1939, except for personnel who were then occupying positions under the jurisdiction of that act. Since Mr. Wyley did not enter on duty until 27 July, 1939, the Lighthouse Service Retirement Law is not applicable in his case, and therefore it will be necessary to make deductions at the rate of 3½ % per annum for retirement purposes from the gross rate of pay, his position being subject to the Civil Service Retirement Law.
