Sir

In reply to your enquiries under date of the 11th Inst, in relation to the Light House property &c. in this my Dist.,
I respectfully submit, That on Tybee Island there are two Light Houses, one known as the big light and the other beacon light. The apparatus of each of those, complete, are in the Government Stores in this place. The third light is situated on the oyster beds under the protection of the Guns of "Fort Pulaski" and is known as the Range Light, Considering the apparatus safe there I have not removed it. The fourth light is situated on Fig Island about one Mile below this City, and is known as Fig Island Light. The fifth, is a Beacon light on the Eastern end of over bluff known as the Savannah Beacon Light, Those Cotton lights Nos 4 & 5, are kept for the use of our little Navy and Steam Boats,
There are under the Guns of the Fort Pulaski Two (2) Bor, and Two (2) River buoys and opposite Fig Island front One (1) Buoy. The Navy brought on yesterday Two (2) Copper Buoys

from the Southern Section of this Port.
Which Commander Pednall informs me he
disigns placing in our River near Fort Jackson
for use of the Navy and that Port if accepted.
There is now employed at the Light House Establish-
ment in this Port, 1 Egan Keeper to take
care of the L.H. property on the Knoll Light
at $30 per Month, Richard Smyje Keeper
of the Light on Fig Island at $100 pr Quarter.
The Coast Company at $37.50 pr Quarter Kee
per of the Savannah Beacon Light.

Very respectfully your obt Servt
